

Four Seasons Trail Association Membership Form

Individual or Family

Season Year: October 1, 2018 to September 30, 2019

Membership is vital to the Four Seasons Trail Association. The FSTA maintains the skiing/biking trails, the snowshoe/hiking trails, the equipment, the lodge, and the grounds. This is a 100% volunteer organization and without your financial support and time volunteering, this wonderful facility and trail system would not exist. In a typical year, membership dues account for less than 25% of the FSTA budgeted annual expenses, which does not include major maintenance, new equipment, land purchases, etc. Please consider one of the higher membership levels. The FSTA is a tax-deductible 501(c)(3) organization.
