

Why Ainsworth?

Classic Proven Titles

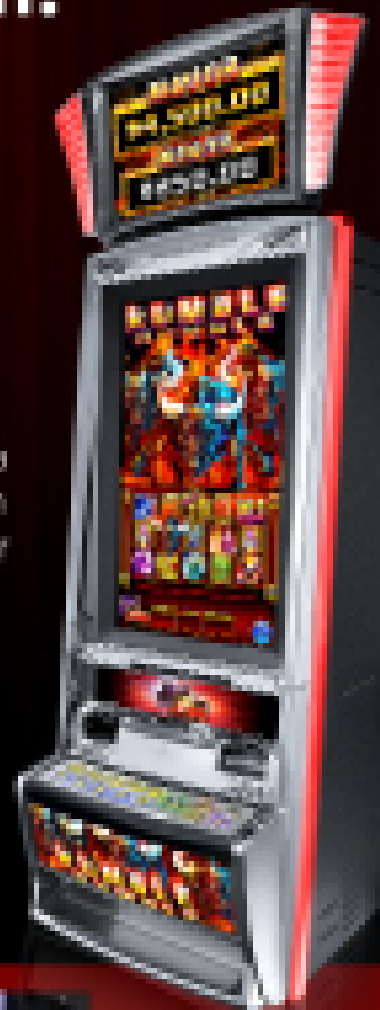

Ainsworth games have a history of lasting performance with many titles still performing above house average after as long as seven years on casino floors.

Speed to Market

In only eight weeks following the acquisition of Nova Technologies, Ainsworth games became available in two cabinets for Class II operators. Four months later two new cabinets became available.

Dedicated Content

70 titles ready for Class I gaming within 12 months and a full suite of products on the way.

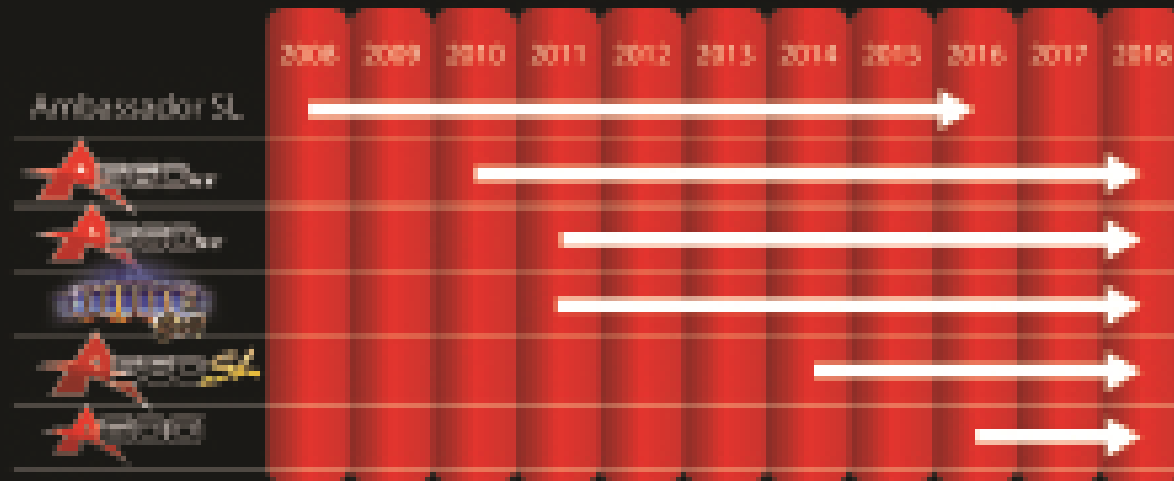

(L to R) Director of Development and Operations Russell Wil, Chairman of the National Indian Gaming Association Eric Stevens Jr., and President - North American Mike Deitner at NIGA 2009 in Phoenix
