

### **Crazy Quilters (CQ)**

Several CQ members put together a total of 28 dog and cat beds this past retreat weekend that were donated to the Hanover Humane Society.

We extend a special thanks and recognition to Quilting Adventures and S.G. Woodworks, who donated about five HUGE garbage bags of fabric crumbs and foam leftovers to be used for the dog and cat beds. Thank you for your support!

The first 18 beds were delivered and the chapter members who were there on Saturday helping with the effort.
