## ROUND TABLE SINGERS

The Round Table Singers are a breakaway  
faction of the casual Sing Sisters group.  
They are committed to weekly sessions of  
organised singing, rehearsals and  
performance through the year and at  
Christmas . This is a great fun way to we  
share with our community.  
Still a community group, this faction is  
more of a choir. The sessions have a format  
and structure, unlike our monthly just for  
fun group which is stand and sing songs for  
an hour just for the sake of it.  
The Round Table Singers are committed to  
rehearsing in there own time, the  
occasional performance and enjoy dressing  
up... Always fun even when its serious.

*Hope to see you soon, Andrea xx*
