

myscouts: Register Your Child as a Participant

Who? A parent with a myscouts profile

What? Register own child as a participant

Why? Youth require parental consent and fee payment to participate; annual registration is needed.

Before you begin, please note:

To complete this registration, payment is required by credit or debit card. (Paypal available fall 2017.)

Registration without an online payment is incomplete and cannot be made complete by submitting payment to the Group.

Here's how to register:

Go to www.myscouts.ca

Input your email address and password.

Click "Login".

If needed: use "I Forgot My Password" to reset your account.

The screenshot shows the myscouts.ca website interface. At the top, there is a red banner with the text "Find a Scouts Group Near You!" and a map of the Orleans area. Below the banner is a red button that says "Click here to go to our group locator ▶". The main content area is divided into two sections. On the left, there is a "Login to myscouts.ca!" section with input fields for "Your Email Address: *" and "Your Password: *", a "Login" button, and links for "I Forgot My Password" and "What Can I Do With MyScouts?". On the right, there is a section titled "Find or Create your Account" with two numbered steps: "1 If you or your child have ever registered or taken training with Scouts Canada Click here to find your account." and "2 If this is your first experience with Scouts Canada Click here to create an account." A text box above the second step explains that online registrations reduce the workload of Scouters and that parents can register their children quickly and easily without the hassle of paperwork.

I Forgot My Password prompts an email to be sent to your address from helpcentre@scouts.ca that includes a one-time login link to get you back into your account.

Once in, be sure to set and save a password.

If registering a youth with a profile, confirm whether he/she is listed on your “My Family” tab.

If he/she is not, contact your Group Commissioner or Registrar, or pat.papineau@scouts.ca to link your child’s profile to yours.

(Skip if registering a new youth – one never previously registered.)

If the Renew icon appears beside your child’s name, click it to begin registration for the next Scouting year.

The Renew icon is usually available beginning with Spring registration (for the next Scouting year) until mid-fall.

Using the Renew icon allows you to skip past “Register Member” and “Find a Group”.

If no Renew icon appears and/or if you are registering a new-to-Scouting child, click “Register Member” to start your registration.
