Our Ref: 832825

Dear Miss McGahan,

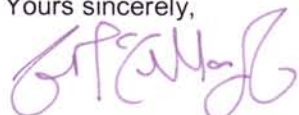

On behalf of the families and communities who benefit from your generosity, I would like to offer a heartfelt thank you to **Dominican College Fortwilliam** for your generous donation of **£7,500** in support of this year's Lent campaign. Please convey our sincere thanks to all the students, staff and parents who contributed towards this.

Your kind support will help Maria, aged 6, from Honduras (pictured right) and others from her village to survive up to 5 life-threatening floods per year. Maria and her community are too poor to move, and over the years, climate change has caused sea levels to rise, resulting in their village being slowly swallowed by the sea. Your spirit of compassion is helping communities like those in Honduras to prepare for the floods by providing:

- Education & Evacuation Training.
- Maintenance of the evacuation canal and the boats which are used during an emergency.
- Survival kits for them to use when they are brought to safety, keeping them nourished and sheltered until the storm or hurricane subsides.

Thank you once again to **Dominican College Fortwilliam** for your kind donation of **£7,500**. You are transforming lives not only in Honduras, but around the world including families in South Sudan & Somalia who are facing severe hunger caused by drought and constant conflict.

Yours sincerely,

Amanda McCullough
