Free UK delivery for orders placed through our online shop. Delivery usually takes 3-4 days subject to stock availability.

P&P for orders placed through the online shop are free of charge. P&P for orders placed over the phone, through fax, or post cost £10.

# Shear Comfort

Shear Comfort natural wool products offer comfort, support, and protection from pressure, shear, and friction. Available as footwear, for diabetic or swollen feet; overlays, for a multitude of surfaces; and targeted protectors for wheelchair use.

There are two distinct variations of Shear Comfort material - Shear Comfort **Original** and **XD1900**. Shear Comfort Original is made from natural sheepskin, while XD1900 is natural wool on a fabric backing. XD1900 offers extra density compared with that of regular sheepskins, helping to protect against pressure ulcers.

Synthetic "wool" products do not possess the same properties as real wool. They may be cheaper, but they do not provide the benefits of natural wool...

## The Benefits of Natural Wool

Apart from keeping the body comfortable and warm, natural wool possesses many unique properties that you may not be aware of:

- Wool helps the **body regulate its temperature**
- Wool has the natural ability to **absorb moisture** without actually feeling wet
- Wool **reduces friction** and accommodates movement for comfort
- Improved **pressure redistribution** is a proven quality of wool
- All our treated wool products can be **washed up to 80°C** using our wool shampoo, plus our **XD1900** material can be washed using normal household detergents as it does not have the leather backing

## Shear Comfort Shoe Size Conversion Chart

				
	M	F	M	F
XXS	2.0 - 3.5	2.0 - 3.0	35.0 - 36.5	34.0 - 35.5
XS	4.0 - 5.0	3.5 - 4.5	37.0 - 38.0	36.0 - 37.5
S	5.5 - 7.0	5.0 - 6.5	38.5 - 40.0	38.0 - 40.0
M	7.5 - 8.5	7.0 - 8.0	41.0 - 43.0	41.0 - 42.5

## Footwear - Shear Comfort

see page 3 for sizing chart

The Shear Comfort range of sheepskin footwear helps protect against leg and foot ulcers arising from diabetes or pressure, promotes blood circulation, and protects sensitive skin from exterior knocks and scrapes.

**PRESSURE CARE BOOT**  
**£126.00**

Open toe design for toe separation and inspection; low profile rubber sole for indoor and outdoor use. Sold in pairs. Available in green, sizes XXS/XS/S/M/XL/XXL; or blue, size L

**DIABPRO**  
**£126.00**

For diabetic protection. Narrow sole for sleek look and ease of walking, greater support at heel. Sold in pairs.

Available in blue, sizes XXS/XS/S/M/L/XL/XXL

**CLASSIC WRAP ROUND BOOT**  
**£126.00**

Easy to put on and take off for simple adjustments throughout the day. Low profile rubber sole for outdoor and indoor use. Sold in pairs. Available in blue, sizes XXS/XS/S/M/L/XL or green, size XXL

**SLIMLINE WRAP ROUND BOOT**  
**£126.00**

Narrow sole width for people who have fewer challenges from foot swelling. For indoor and outdoor use. Sold in pairs. Available in blue, sizes XXS/XS/S/M/L/XL/XXL

## Footwear- Shear Comfort

see page 3 for sizing chart

### SHORT SLIPPER BOOT

£138.00

No sole makes for easier moulding around the foot. Ideal for indoor use, both in and out of bed. Sold in pairs. Available in green, sizes XXS/XS/S/M/L/XL/XXL

### SLUMBER SLIPPER

£118.80

Similar to the Short Slipper Boot but made from **XD1900** – extra dense, natural wool. Ideal for in-bed protection. Sold in pairs. Available in blue, sizes XXS/XS/S/M/L/XL

### SOVEREIGN SNUG

£90.00

Shorter wool pile than other Shear Comfort boots for slimmer look and reduced bulk. Non-slip suede sole ideal for use inside the home or while travelling. Sold in pairs. Available in blue, sizes: S/M/L

### TALL SLIPPER BOOT

£238.80

Made from **XD1900** – extra dense, natural wool. Provides comfort and support to the entire lower leg. Ideal for those at risk from ulcers of the legs and feet, or those with vascular problems. Ideal for in-bed protection. Sold in pairs. Available in blue, one size fits all.

## Footwear - Shear Comfort

**TOTAL FOOT PROTECTOR**  
**£86.40**

Wraps around the foot to give support and protection to the ankle and heel areas. Ideal for pressure ulcer prevention. Sold individually, one size fits all, available in green.

**WOOL SHAMPOO**  
**£18.00**

Specifically designed to take care of sheepskin and natural wool, helping it to last longer. The formula washes and disinfects the wool and conditions the sheepskin leather to keep it soft. Contains antibacterial tea tree oil.

## Footwear - ShearBan

**SHEARBAN - BLISTER PREVENTION**  
**£42.00 single sheet/pack of 12 patches**

ShearBan® is a patented stick-on material which is attached to the inside of the shoe to reduce friction and protect skin from rubbing, redness, irritation, hot spots, calluses, and blisters.

Available in beige or blue, ShearBan comes in packs of 12 pre-cut patches, or as sheets that can be cut into shape.

## Footwear - GlideWear

**GlideWear** dual-layered, breathable fabric socks provide targeted protection to heels, toes and ankles to reduce friction and rubbing caused by badly fitting footwear, or from feet being dragged across sheets. GlideWear socks do not have seams which eliminates the chance of any seam-related pressure points, and do not contain latex.

### FRICION REDUCING ANKLE SOCKS

**£58.80**

Sold in pairs and are available in S, M, L, and XL sizes.

### LOW-FRICION FOREFOOT SOCKS

**£70.80**

Sold in pairs and are available in S, M, L, and XL sizes.

### LOW-FRICION PARTIAL PROTECTION SOCKS

**£70.80**

Sold in pairs, one size fits all.

## Skincare - Targetted Protection

### GLIDEWEAR PILLOWCASE

**£66.00**

Helps prevent hair loss and scalp damage which can be caused by friction and rubbing, whilst in bed. The durable fabric ensures long-lasting protection.

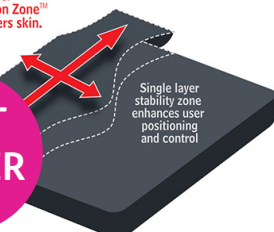

**BEST SELLER**

### GLIDEWEAR UNDERWEAR

**£58.80**

Protects from friction that can occur between sensitive skin and the seating surface. Breathable fabric prevents moisture buildup and protects skin. Sizes: S/M/L/XL/XXL

Dual-layer  
Shear Reduction Zone™  
glides with users skin.

**BEST SELLER**

### GLIDEWEAR CUSHION COVER

**£94.80**

Slips easily onto any wheelchair cushion to help prevent shear-induced pressure ulcers. Sizes: S/M/L

(S: 14x14"-16x16" / M: 16x16" - 18x18" / L: 18x18"- 20x20")

## Skincare - Targetted Protection

Shear Comfort Targetted Protectors protect and support specific areas of the body. Most of our Targetted Protectors are made from **XD1900** fabric-backed sheep's wool unless otherwise stated. For more information about the Benefits of Wool, please see page 3.

**ELBOW PROTECTORS**

**£66.00**

Fits snugly around the elbow, protecting it from knocks while creating a shielded area for skin to heal. Can be used to warm aching joints and protect the elbow from injury. Sold in pairs, in blue.

**HEEL PROTECTORS**

**£66.00**

Can shield skin on the heel and ankle to prevent sores, or provide protection to existing damaged skin. The wool layer wraps around the heel and ankle, leaving the rest of the foot free to move. Sold in pairs, in blue.

**PALM PROTECTOR**

**£46.80**

Offers relief from curling fingers, hand contractures and cramping, whilst providing a cushioning pad for the fingers. Keeps the fingers warm and supported. Sold individually, in blue.

**NECK COLLAR**

**£72.00**

Firm but gentle support that helps keep the neck in a neutral position, particularly useful for people who have weakness or wasting of their neck muscles. Sold individually, in blue.

## Skincare - Targetted Protection

### FOOT PLATE PROTECTOR

**Pair: £38.40 / Single Foot Plate: £62.40**

Adds comfort and protection to hard, uncomfortable wheelchair foot plates. Elastic straps hold the wool pads in place, so you can benefit from extra protection against skin damage. Sold in blue, individually for single foot plates or in pairs for double foot plates.

### ARM SUPPORT PROTECTORS

**£42.00**

Adds comfort to arm supports on chairs and wheelchairs. The wool gently holds the arm in place and provides cushioning. Sold in pairs, in blue.

### KNEE PROTECTORS

**£46.80**

Wraps around the knee to provide comfort and relief from friction. Designed for those lying face-up for extended periods of time, and for those who lie on their side with their knees in close contact. Sold individually, in blue.

### CALF PLATE PROTECTORS

**£38.40**

Designed to add extra comfort and protection to otherwise unforgiving parts of the wheelchair. Calf Plate Protectors come with elastic straps to hold the sheepskin pads in place. Unlike other targetted protectors, Calf Plate Protectors are made from Shear Comfort Original. Sold in pairs, in green.

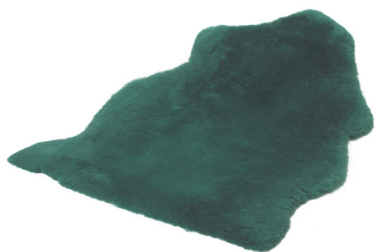

## Skincare - Overlays

Our Shear Comfort Overlays come in a range of sizes to help relieve pressure, and add comfort to a bed, chair, or cot. All overlays are made out of **XD1900** fabric-backed sheep's wool unless otherwise stated.

For more information about the Benefits of Wool, please see page 3.

OVERLAY	PRICE	SIZE (cm)	COLOUR
Neonatal	£72.00	30 x 50	Blue
Paediatric	£114.00	45 x 75	Blue
Baby Rug	£78.00	50 x 80	White
Standard	£132.00	65 x 100	Blue
Classic	£238.80	75 x 125	White
Superior	£258.00	75 x 150	White
Regal	£298.80	75 x 180	White
Single Bed	£396.00	92 x 187	White
Double Bed	£594.00	137 x 187	White
Queen Bed	£660.00	150 x 200	White

**NATURAL OVERLAY**  
**£166.80**

Made from Shear Comfort Original sheepskin (not XD1900). Retains a traditional sheepskin shape for a natural look. Size: ca 63 x 92 cm. Available in green.

**DAY CHAIR OVERLAY**  
**£198.00**

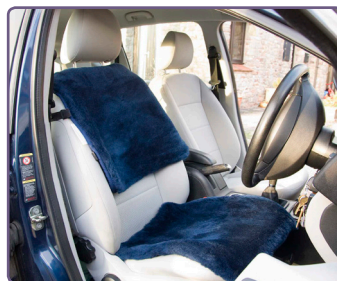

Designed for those individuals who spend most of their day seated in an armchair, and who have skin that could be at risk of damage from heat build-up or friction. Size: 50 x 140 cm. Available in white or blue.

#### **PRESSURE CARE ASSISTANT**

**£86.40**

Can be used to protect a certain area of the body whilst in bed such as the heels or hips. It has linen flaps that can be tucked under the edges of a mattress to secure it in place. Size: 30 x 70 cm. Available in blue.

#### **CUSHION-IT**

**£78.00**

Can be placed on the seat or attached to the back of a chair with its adjustable straps to prevent pressure sores. Can attached to office chairs, car seats, etc. for extra comfort. Size: 46 x 55 cm. Available in blue.

## **Daily Living Aids - Mobility**

#### **WALKER GLIDES**

**£16.80**

Make your walker easier to manoeuvre across all surfaces, from carpet to concrete. Just slide the Walker Glides into the back posts of your wheeled walker, tighten the bolts and you're ready to go. Sold in pairs, one size fits all.

#### **MOBILITY LIGHT FOR WALKERS AND WHEELCHAIRS**

**£17.50**

Automatically switches on when the sensor detects low light conditions and movement, and switches off when movement stops or light conditions improve. Easily attaches to any walker frame or wheelchair to help you to navigate the night in safety and with confidence.

# Daily Living Aids - Millie-Mova

## MILLIE-MOVA - CHAIR-MOVING DEVICE\*

£78.00 (without pedal) / £102.00 (with pedal)

The Millie-Mova is a unique, easy to use, manual handling system designed to help carers move elderly or disabled people safely while they are seated in their chair. It attaches to the base of any four-legged chair, and has a spring mechanism that allows the carer to engage the wheels to glide a chair from one place to another with an occupant in place.

- Eliminates risk of manual handling injuries to carers (back, hip, knee and shoulder)
- The universal kit fits virtually any dining chair and is simple to install
- Optional extension pedal for large chairs such as armchairs
- Prolongs chair and floor life

\*Chair not included

## Daily Living Aids

### BODYPOINT MOBILITY BAG £58.80

Bodypoint Mobility Bag keeps your essentials close to hand, safely and discreetly. It is big enough to hold a day's needs, and fits snugly on any wheelchair. It can also fit into a seat pocket in a car, train, bus, or plane. Large compartments feature jingle-free zippers for quiet travel, and the oversized pull loops make handling easier.

Two attachment options are included: the detachable seat clip slides onto the seat sling or side guard, or the seat clip can be removed so as to use the Velcro-style tabs to attach to an arm support or directly to the seat canvas.

### HANDHUGGA £29.99

HandHugga™ is a comfortable and easy to wear device designed to help anyone that finds it difficult to grasp and hold onto objects. The hook and loop flaps envelop and support the hand perfectly, enabling the wearer to hold onto a pen, paintbrush, maraca, drum stick, spoon etc.  
Sizes: S/M/L

## Seating - Cushions

### REFLEX WHEELCHAIR CUSHION

**£150.00**

The Reflex is a low maintenance wheelchair cushion made from air and foam, making it fail safe. This also makes it lightweight and easy for self propellers. The Reflex cover is water resistant and ideal for transfers.

### RAFT POSTURE SEAT

**£66.00**

### RAFT WHEELCHAIR SEAT

**£102.00**

The Raft Posture Seat and Wheelchair Seat bases have been designed using innovative ports and pillars technology. The design promotes continuous air flow and creates a seating base that is breathable, giving cool comfort. Raft seats improve posture and can help ease back pain.

Posture Seat sizes: Standard (15x15")/ Large (18x18"). Wheelchair Seat size: Large (18x16")

## Straps

### UNIVERSAL ELASTIC STRAPS

**£78.00**

The Bodypoint Universal Elastic Strap has always been known for its versatility of use to secure and support different areas of the body. It is a highly-regarded positioning tool for both therapists and carers. Made from long-lasting neoprene and strong hook and loop material. Extensions are also available.

### RAPID-DRY SHOWER BELT

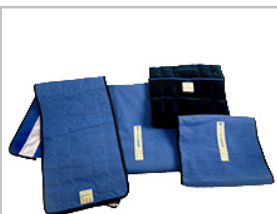

**£78.00 (plastic slide fittings)**

**£90.00 (with grommets)**

To be used if bathroom safety is a concern for people with limited mobility. It can be attached to any shower chair for added security when bathing. Water and air pass easily through the Aeromesh fabric, allowing the user to be bathed completely, and helping the belt to dry quickly after use.

### WEELY WHEELCHAIR

#### Assessment required

Weely is a manual wheelchair with 6 wheels, 2 larger ones in the centre and 2 smaller ones each at the front and back. This wheel arrangement allows for not only greater stability, but also a smaller turning circle which proves extremely handy in more confined spaces, such as in the home.

The Weely's design makes propulsion easy and efficient, even in a reclined position. The central wheels are well positioned to optimise the movement of the shoulders and arms for self-propulsion.

The Weely's positioning and seating solutions enable you to adjust the chair to each user.

- Smallest turning circle ever seen on a tilt-in-space manual wheelchair
- Effortless self-propulsion
- Kerb climbing assistance

**Call us now for an assessment  
in your own home on 01179 666 761**
