

The Role of Image II

9 – 19 August 2017

The second of a two part show investigating the role of the image in contemporary art.

Curated by Dr. Paula Terra Neale of Terra Arte

13 artists all originally from Rio de Janeiro, each investigate this theme in a different way: by acknowledging its role, or rejecting it; by recording their performance pieces, or reflecting aspects of daily life in Rio; as a language, or a tool for philosophical reasoning; through research into new media and processes.

Participating artists:

Monica Barki, Jacqueline Belotti, Marcos Chaves, Simone Cupello, Suely Farhi, Carla Guagliardi, Fernanda Junqueira, Monica Mansur, Maria Moreira, Martha Niklaus, Patricia Norman, Lia do Rio, Marcia Thompson.
