

Luxembourg, May 2020

Since 2020, the Roude Léiw Polo Club A.s.b.l. (RLPC) is proud member of the Deutscher Polo Verband e.V. (DPV), the German Polo Federation.

The Board of the DPV decided in its November 2019 meeting to accept the RLPC as a member. The DPV Board's decision is exceptional as the RLPC is the first member of the DPV that is not located on German grounds. For the time being the RLPC is considered as a temporary guest member, until the DPV extends its bylaws from being a federation not only for German clubs but in the future also including non-German clubs.

The RLPC is the first polo club in Luxembourg that is member of an accredited sports federation.

The membership is a great honor for our young club as it underlines the attractiveness of our club in the polo world. In addition, it gives the RLPC several advantages:

- All RLPC tournaments are now listed in the DPV calendar of polo tournaments. (see: <https://www.dpv-poloverband.de/de/turniere/liste>)
- Handicaps of our club's players are officially listed and tracked, as they are set and adjusted following the by-annual decisions of the Federation's handicap commission
- The RLPC follows the DPV's well thought through regulations, rules and recommendations, based on a vast experience gained during the nearly 50 years long existence of the DPV
