(SCIENCE, TECHNOLOGY, READING, ENGINEERING, ARTS, MATH)

# REALSTREAM AT HOME

May 4-May 28

Mondays-Thursdays

2:00-2:30: ZOOM Meeting

2:30-4:00: individualized projects (by age group)

4:00-4:30: ZOOM Meeting

## Goals and Objectives:

- Provide engaging learning activities/experiences (aligned with learning standards) for children where they have interaction with us and with each other via ZOOM
- 90 minutes of non-screen challenge
- 20 minutes of reading
- 20 minutes of math problem solving or learning math facts
- 35 minutes of science/art/building/cooking project
- 15 minutes of personal health stop

## Measure of Success

- Provide parent and child a contract at the beginning of the session that they both sign.
- Attendance, submitting projects, assignments, video/photo of results each day.
- At the end of each week, perfect attendance and engagement get the family a pizza delivered!
