**JOINT RESOLUTION**

**Authorizing and requesting the President**

to adopt a 'Specialized Land Court' granted by the National Constitution of the United States of America Republic [hereinafter referred to as U.S.A.R.], which support the birth-right inheritance of Moorish Nationals, We The Moorish American People, to the VAST/VAS ESTATE EXPRESS TRUST, and the application of laws based on rules of evidence. This involves issuing court decrees and providing instructions upon the U.S.A.R. Recorder of Deeds (Registrar) who will record its' [the courts] judgments for all property conveyed into the VAST/VAS ESTATE EXPRESS TRUST.

**Desiring** to promote social and economic well-being while contributing to the "national" development; and to provide a secure, stable and trustworthy record of land ownership and recorded interests;

**Recognizing** that "An Act Concerning Land Titles", approved May 1897, the Registered Titles (Torrens) Act [765 ILCS 35/0.01 et seq.], (hereinafter "Torrens") a system by which tracts of land are registered and that a State's court (Special Land Court) is vital in this registration effort;

**Deciding** through its legislation that the State court will preside over complaints, petitions and application; conduct; judgments, notices and decrees on behalf of lawfully incorporated and chartered societies, Nationals/Citizens of U.S.A.R. who seek or have conveyed property into the aforementioned “trust”;

**Recognizing** various states in the late 19<sup>th</sup> century uniformly adopted the Torrens Registration Act but with conflicting provisions of state constitutions; and that this act is not a special law regulating practice in courts of justice in contravention of former Ill. Const. (1870), Art IV, §22 (see now Ill. Const. (1970), Art. IV, §13); as this Act is not one relating to practice in courts of record but rules of evidence;

**Recognizing** the need to issue decrees of registration and register documents, or any other land transactions for the benefit of landowners;

**Expressing** that, “We the Moorish American People are the true inheritants/heirs of the Americas by birthright of their forefathers/mothers and indicated by the “evidence” of the VAST/VAS ESTATE EXPRESS TRUST number recorded in Cook County Recorder of Deeds, Chicago, Illinois on August 1, 1928 at 2:52pm; and surviving literature in form of an express will bequeathed to said inheritants/heirs by their Guardian, Noble Prophet Drew Ali;

**Requiring** a judicial system by which lawfully incorporated and chartered Societies, Nationals/Citizens of U.S.A.R. will register and convey land safely into the VAST/VAS ESTATE EXPRESS TRUST;

**Understanding** that the Torrens act controls essentially all dealing(s) with registered lands; and there is no provision of this Act concerning land titles which prescribes any different registration procedures;

**Desiring** to provide a secure, stable and trustworthy record of land ownership and recorded interests;

**Realizing** that through the State and its statutes, its property is then managed and administered for those Nationals/Citizens;

**Desiring** to have full compliance involving our court’s decree, our State and instruction upon the Recorder of Deeds/Registrar to record its judgment;

**WHEREAS**, the United States of America Republic, being a perpetual corporation is an autonomous State government lawfully incorporated and chartered for the benefit and protection of “We The Moorish American People”, by its Declaration, National Constitution and By-Laws, and aforementioned Articles;
