Dear Sir or Madam,

New Cross Gate Crown Post Office

The Post Office has informed us that you are collaborating in the destruction of post office services at New Cross Gate, by allowing them to franchise our post office with you.

I would be grateful if you would confirm this to be the case ASAP and – if true - explain why you think it is acceptable to betray your local community?

Finally, if you intend to become the franchisee, then I ask you NOT to do so. We need Crown Post Offices and I fear that the community will not forgive you for this action.

Yours faithfully,

Cllr Paul Bell
