

Attention High School Students It's Time To Close The Achievement Gap!!!

Mindful Awareness Academy For Children (MAAC) is excited to announce it's second year of Summer English-Language Arts Bootcamp. This two-week summer intensive would give students the opportunity to be exposed to Advanced Placement and Honors level instruction with a mindful approach to learning.

Curriculum Includes:

- Mindful practices/Meditation
- Guest Speakers: Topic - "Approaching your genius in a mindful way"
- Advanced Placement/Honors English Language Arts instruction
- Finding your Voice
- College Counseling/Career Exploration

Bootcamp Testimonials

Twelfth grader Rachel Gayle agreed. "I think this is just what I needed to prep for my senior year. I'm going into my senior year a little more confident, prepared, and supported. The guest speakers were incredible and I learned so much from them. I loved my instructor, Ms. Rembert. She is very passionate, which made me enjoy even more of the texts we read."

Dr. Kendra Johnson, Superintendent of the Montclair Public Schools highly commended the success of the program. "I am so honored to have Mrs. Smith-Morgan leading this work for our students. These are exciting times."

Cost: \$150

When: July 15-19th; July 22-26th
