Peoria Charter Company

1 Day August 14, 2019 \$209\*

- Chicago Water Tower Place
- Shopping and Lunch on your own
- Cadillac Palace Theatre • Breakfast muffin and boxed dinner on the motor coach

**C**ome From Away is based on actual events that took place on September 11, 2001 and the days that followed. A total of 38 planes landed in Gander, Newfoundland carrying nearly 7,000 passengers and crew. This was an extraordinary challenge to take on for a small town like Gander with the population of only 10,000 people.

"On 9/11, the world stopped. On 9/12, their stories moved us all"
