

## GCSE Results 2013 Exams Summary

### Provisional

Students celebrate school's best ever results !

We were delighted at the results achieved by this year's leavers. 151 of them achieved at least 5 C grades including English and maths (71.2%, compared to 70% last year), while 45 achieved at least 5 A grades (21.2%, compared to 20% last year).

We were particularly proud of the 11 students who got straight A/A\*s – Matthew Bell, Anthony Bevington, Lucy Carter, Hannah Douglass, Kim Fowler, Will Gibbs, Emma Lubega, Sam Masson, Charlie Titmuss, Katherine Trott and Katie Webb.

They were a lovely year group and we were sorry to see them go; they leave with our very best wishes.
