Residents graduated from the Leadership Institute

**1,122**

People participated in a mission trip

**4,288**

Kids and Students attended summer camp

**13,298**

Participated in our STARS sports programs

## MESSAGE FROM ASHLEY WOOLDRIDGE

As I look back on 2017, I can't help but be amazed by how God continues to bless the ministry of CCV. Our mission has always been to reach this valley for Christ, and this past year, we saw exponential growth and countless lives changed. We witnessed 3,876 people give their lives to Christ through baptism, we opened our eighth campus in Chandler, and the Compassion at Christmas initiative resulted in a record breaking 11,011 child sponsorships and the ability to plant 22 churches in Colombia. Incredible! This is not typical for a church during a year of transition, but then again, CCV is not a typical church.

In 2018, we will continue to focus on reaching this valley one step at a time. We will continue to open more campuses across the valley because we know that people are more likely to attend a church that is close to their home and part of their community. We will also continue to focus on every individual taking their Next Step in faith. It's going to be an exciting year and I am honored and humbled to lead a church so passionate about reaching their city for Jesus.

This year, and every year, we will continue to dream big and put our trust in God. Let's celebrate every victory in Christ and remember that we are not a big church, we are a small church with a big vision!

**Ashley Wooldridge**  
Senior Pastor
