

# Easter Exchange Camp 2018

A simple but effective idea. In residential conditions, we mix equal numbers of Spanish and English children from similar age groups. For language classes nationalities are separated. The class focuses on the activities of the day ahead. After the class everyone puts into practice their freshly learnt relevant language, naturally having fun with their native companions.

Friday 23<sup>rd</sup> – Thursday 29<sup>th</sup> March 2018

For 8-12 year olds

All inclusive meals, classes, activities and airport transfers.
