

HUNTER/OLYMPIAD MATH PREP

at Computing Wisdom

for 6th to 8th Graders

Saturday, 11/25/2017 – Sunday, 11/26/2017

2017 Hunter College High School (HCHS) Entrance Exam will be given on Friday, January 5th, 2018. We are inviting all 6th to 8th graders for a special 2 days, 10 hours intensive prep course for the Mathematics section of this exam on Saturday, 11/25/2017 and Sunday, 11/26/2017.

ABOUT OUR HUNTER/OLYMPIAD MATH PREP COURSE

Our Hunter/Olympiad Math Prep course is ideal for 6th graders who want to prepare for the math section of the HCHS Entrance Exam. This course also sharpens 6th through 8th graders' critical thinking and problem solving skills and exposes them to some of the methods and approaches used to solve problems found in math competition, such as MOEMS, Math Kangaroo, and MATHCOUNTS.

In this course, students will be able to attempt 4 HCHS Entrance Exam math practice tests. And, for each problem in these tests, we will go over one or more efficient solutions to solve each problem, explain test taking and problem solving strategies, and how to discipline yourself to maximize your score on the test.

ABOUT HCHS ENTRANCE EXAM MATH QUESTIONS

The Hunter College High School (HCHS) Entrance Exam will contain 30 multiple-choice Mathematics questions. It tests your problem-solving ability. Students solve a variety of problems, including multi-step ones involving: estimation; computations with fractions, decimals, percents, and integers (including negative numbers); rules of divisibility; simple probability; rate; average; ratio; time; money; area of shaded regions; perimeter; counting; visual and numerical pattern recognition; and three dimensional figures. For more info about the exam, please visit <https://www.hunterschools.org/hs/entrance-exam>

SCHEDULE

2 days / 10 hours

Saturday, 11/25/2017
9:00am – 2:00pm

Sunday, 11/26/2017
9:00am – 2:00pm

REGISTRATION PERIOD

10/16/2017 to 11/12/2017

COST

Registration Fee: \$20
Tuition: \$250
