

Comité ‘Costa Ballena Segura’: “Unifying efforts against crime”

Our vision:

Project security, efficiency and commitment for today's and future generations for the well being of our community.

Our mission:

Foster a safe community with a low crime rate in the Bahía Ballena district, together with all its inhabitants.

Our objective:

Find preventive and corrective solutions for crime and violence which at various levels are threatening our residents and visitors.

In the last decade, the South Pacific coast of Costa Rica has experienced a considerable boom in tourist activity. In Bahia Ballena, tourism represents the **main source of income for the local economy**. Unfortunately, alongside this development, delinquency has soared, putting at risk the safety of both its visitors and inhabitants as well as the stability of the tourism industry in our beautiful district.

In search of solutions to mitigate the negative effects of the rise of crime, the committee COBASE was born. The aim of COSTA BALLENA SEGURA (COBASE) is to **connect community efforts with municipal, national and international authorities** in order to reach our objectives. With roots in CACOPA, today we work together with ADI Uvita de Osa on solutions regarding security.

Colaboration:

We listen to your concerns and suggestions. Let us open a dialogue between the community, the municipality and the state authorities.

Donations:

Your contribution is important. Transfers can be made to the account of the ADI Uvita, sub-account 'COBASE'. For more information please call us at 8623-8292.

“May peace, conservation and hospitality reign in our Costa Ballena”

Remember:

Reporting a robbery or assault to the police is very important. Proper statistics are key to receiving better attention from authorities.

Without tourism there won't be any jobs. If the COSTA BALLENA is to remain an important destination for tourists, we have to work together as a team. A united community is necessary in order to provide a safe future.

Together for a positive change! Let us join our efforts, share ideas and propose projects both long and short term!
