RESTRICTIONS:

On Riverside Drive and Booth Street runners must stay to the right of the center lane markings on the road at all times. Cones should be placed along the center lane markings of the road to ensure that runners keep to the right. At the point where runners enter Riverside Dr. from the Truckee River Walk a cone must be placed on the center line of Riverside Dr. at a point due West from the South edge of the curb cutout where the River Walk intersects with Riverside Dr. and runners must keep to the right of the cone. At the point where runners turn left onto Booth Street from Idlewild Dr. a cone should be placed on the center line of Booth Street at a point due East from the North Edge of Idlewild Dr. and runners must keep to the right of the cone.

In Idlewild Park cones should be placed down the center of Spoon Dr. from Latimore Dr. to the turn around point. Runners will turn left from Latimore Dr. onto Spoon Dr. and keep to the left of the cones all the way to the turn around point, go around the turn around point and keep to the left of the cones heading back to Latimore Dr.
