The new Oakville Trafalgar Memorial Hospital is a state-of-the-art healthcare facility built to meet the growing needs of our community. The 1.6 million square foot Hospital was designed with patients in mind offering a healing environment that will enable exemplary patient experiences. Moving forward, your support of Oakville Hospital Foundation will help fund the ever growing and changing healthcare needs of a much larger and more advanced Hospital. Through your generosity, OTMH can continue to invest in technology that diagnoses illnesses earlier, reduces recovery times, and improves the patient experience.
