

The Role

Milfoil King sales people are responsible for generating sales of our service and managing the sales process.

The role of Salesmen is integral to the Milfoil King experience. You will be the first person our client makes contact with. Your voice, demeanor and attitude is going to set the bar of expectations from our clients. You will need to exude trust, knowledge and an understanding for the clients problems. The salesperson will be responsible for the customer experience. From first contact to post job check in.

Because milfoil removal is a very niche industry no prior milfoil experience is required.
