TRUMP THIS!

It could refer to a card game, the sound an elephant makes, a trumpet, a flatulent and...
(Yup, the etymology of the word "trump" includes all these meanings)

You decide what "**trump**" means to you. How does the word "**trump**" make you feel?

What better way to convey feelings than through artistic expression? This pop up exhibit seeks to provide an impartial, non-judgmental, non-partisan, peaceful venue for artistic expression of how people interpret and feel about the word "**trump**."
