MISSISSAUGA – From a bomb-detecting robot to various weapons inmates sneak into prison, Peel Regional Police let the public catch a glimpse of their world Saturday (Sept. 27) for Community Crime Awareness Day.

Held in Celebration Square, the 14th annual event was organized by the Mississauga Chinese Business Association, in partnership with Peel police, Rogers TV and Safe City Mississauga.

DD DanceFest 2014

The Dancing Damsels, an Indian cultural dance organization, in collaboration with the Korean Culture Community, staged an international dance festival at The Meeting House in Oakville on Saturday October 18th, 2014. This was a great opportunity to showcase the Korean art & culture to a different and wider audience. Our Hanhn Mahm dance troupe performed an elegant traditional Korean 화관무 dance in their colourful hanbok. Other performances include those from Chinese, Irish and Egyptian cultures. It was a wonderful diverse showcase.

Mayor Hazel "Thank You" Event

On Oct 19th at 7pm a formal concert took place at The Living Arts Centre in Mississauga that featured a number of performances and presentations. This was a Community Salute to honor Hazel McCallion and her outstanding leadership of 36 years as Mayor of Mississauga. She is now retiring at the tender age of 93. Carassuga helped celebrate this event by showcasing the diversity in our Canadian community by sending a representative from each culture. Miss Jenny Park represented our Korean community in a fantastic blue and red Hanbok. The Korean Culture Community wants to send a big "Thank you" to our Mayor for her big support of cultural diversity through the Carassuga program. The Canadian national anthems never looked more meaningful.
