- The National Folk Festival reserves the right to deny any application without explanation.

Vendor Fee Pricing & Payment

1st Year Discount announced: 25% off Food Vendor Space Fee

We recognize that the National Folk Festival is an unknown for our local food vendors, so we are offering a 1st year discount of 25% off the Food Vendor Space Fee. The National Folk Festival has traditionally been a great success for our vendors, and we hope this 1st year discount will give vendors the opportunity to apply and find out for themselves.

Food vendor space is allocated by the frontage foot. Standard booth spaces are 10 frontage feet and 20 frontage feet. All food vendor spaces are 20 feet deep. A 10 frontage foot space leases for \$800; a 20 frontage foot space leases for \$1100. Each additional frontage foot used beyond 20 feet leases for an additional \$55. See chart below for easy reference.

For food trucks, frontage foot allocation is based on the bumper to bumper length plus three feet.

For trailers, frontage foot allocation is the total length including *tongue*, plus three feet.

For food operations that have a unique footprint that can't fit in these dimensions it may be possible to negotiate a special space allocation and fee.

Frontage feet	10	20	21	22	23	24	25
Fee	\$800	\$1100	\$1155	\$1210	\$1265	\$1320	\$1375
Frontage feet	26	27	28	29	30	31	32
Fee	\$1430	\$1485	\$1540	\$1595	\$1650	\$1705	\$1760

- The fee for on-site electricity will depend on usage. Accepted vendors will submit electrical service order and payment online, post acceptance. See the Electricity section of these guidelines for more details.

Refunds

- No refunds for cancellations after **July 13, 2018**.
- No refunds for inclement weather.

Permits

If you are accepted by The Festival as a food vendor, you are responsible for obtaining a Temporary Food Service License (TFSL) from the Wicomico County Health Department (WCHD) before receiving a contract with the National Folk Festival. You can review some of the basic requirements by clicking the following link: [Health Department Food Service Information](#). Contact Diane Waller, WCHD, at dianer.waller@maryland.gov with any questions about Health Department regulations.

- You will be sent a link to a Temporary Food Service License (TFSL) Application once accepted. The TFSL *and* \$75 permit fee payment should be sent directly to the WCHD. Vendors must submit their TFSL application to the WCHD by April 27, 2018 (round 1) & June 8, 2018 (round 2)
- If you are currently a permitted Wicomico County FOOD TRUCK, you are exempt from the need for applying for another TFSL. You ARE still required to inform Diane Waller at the WCHD (dianer.waller@maryland.gov) that you have been selected to be a food vendor.
- All other Wicomico County permitted Mobile Food Units, such as a Trailer or push cart are required to obtain a TFSL from WCHD. Any Food Truck that is not a Wicomico County permitted Food Truck will be required to get a TFSL from the WCHD.

Inspections

- All vendor booths/food operations serving cooked items will be inspected by a Wicomico County Health Inspector and a City of Salisbury Fire Marshal.
- Inspection schedule:
 - Wicomico County Health Inspection: Inspection will be conducted upon completion of set-up, no later than 3:00pm on Friday, September 7, 2018. We encourage Vendors to be ready for inspections between 2-4pm.
 - Fire Marshal: All vendor booths/food operations (including food trucks and trailers) cooking food will be inspected on Friday, September 7, 2018. For those vendors/food operations that are only operating on Saturday, September 8, and Sunday, September 9, 2018, fire inspection will take place on Saturday, September 8, 2018.
- Vendors will not be permitted to begin their vending operations at the Festival until their food and vending operation has been inspected and determined to be in compliance with Wicomico County Health Department regulations and Fire Code.

- No space will be held without both a completed contract and full payment of the contract fee.
- The following factors impact food vendor placement on the festival site:
 - Booth type
 - Fuel type
 - Electrical needs
 - Booth layout & dimensions
 - Menu - *The Festival's goal is to limit the number of vendors that sell the same type of food (Vietnamese, Indian, etc.) or similar menu items (pulled pork, hamburgers, etc.) and to place vendors who sell similar types of food and/or menu items in different food courts.*
 - Vehicle Specifications (food trucks and trailers only) - *Because food trucks and trailers have unique needs and come in irregular sizes, they may be located separately from traditional food booth locations.*

Space Details

- Vendors may not trade, switch, or set up in another area, without approval from the Festival.
- Parking spaces will be provided for a maximum of two support vehicles.
 - These are to be used for refrigeration and/or dry goods storage. Support vehicle parking will be in the vicinity of the food court to which you are assigned but not necessarily adjacent.

This service will carry an additional fee: Exact price and shelf sizes will be determined by the demand estimated by vendors wishing to utilize Festival-provided refrigeration/freezer service. This demand will inform the size of the refrigeration/freezer unit the Festival provides.
- Deadline for providing refrigeration space needs is July 13, 2018.

Beverages & Ice

- The Festival has a sponsorship relationship with a major soft drink and water distribution company. All vendors who wish to sell beverages (including bottled water) must sell the products the Festival supplies through this sponsor contract, UNLESS the Festival deems the vendor's handcrafted drink is a specialty beverage (e.g. lemonade, homemade specialties, tea and coffee, etc.).
- All soft drink and water products must be purchased on-site from the Festival, and sold at the price determined by the Festival. Any full, unbroken cases that are not used can be returned at the end of Sunday, September 9, 2018. The festival will reconcile the amount owed within 5 days after the end of the Festival. If vendor owes Festival, payment will be due by September 28, 2018.

- Vendors will receive no more than **two** parking passes for support vehicles such as those that supply refrigeration and/or dry goods storage. Passenger vehicles not being used for refrigeration and/or dry goods storage will not qualify for this parking. Support vehicles will be placed in designated areas as near as possible to their food operation location and will not be permitted to leave the festival site during operating hours.
- Only authorized vehicles may be parked on Festival grounds. Food vendor vehicles are NOT allowed to be parked in undesignated spaces behind or near vendor booths during the Festival.

To this end, we intend to implement programs to use recyclable or compostable products in the serving of festival foods to the public. Additionally, we are developing the capacity to collect and sort recyclable materials on site and send them to commercial recyclers. Compostable materials will also be collected and sent to composting facilities. Vendors will be given priority who show a willingness to participate in our recycling and composting programs. Festival personnel will be supporting vendors in this effort.

The certificate must include language naming indemnified parties as additional insured as respects to the National Folk Festival on September 7-9, 2018.
