Burnside Beagles Junior Tennis Club Sponsorship Proposal

We are a junior tennis club with a great history. The Burnside Tennis Club was founded in 1968 with junior players aged 6 – 16 who play both summer and winter tennis, and for many years has had a strong family and community orientated tennis club. The Burnside Tennis Club is located in the eastern suburbs of Adelaide in South Australia and is a member of the Eastern Districts Tennis Association and is affiliated with Tennis SA.

Your contributions, whether be cash, in kind donations or other means of support, will be targeted exclusively to achieve the Burnside Beagles Tennis Club's aims to increase junior participation, provide facilities, events and experiences.

Currently we run a range of events and may be possible sponsorship opportunities for you and our members so they feel a part of a team and a club including:

- Junior Trial Day which is a compulsory event for all players;
- Weekly training sessions;
- Junior tournament day;
- End of season function.

As a non-profit association, the Burnside Beagles Tennis Club is financially reliant primarily on membership fees, fundraising, volunteers and donations. This funding limits the club's ability to be the best club we can be. Your sponsorship investment will enable the club to increase participation and offer more quality facilities, services and events to members.

We cannot run the club without sponsorship, your investment will be invaluable to both the Club, our members and our local Burnside community. The Burnside Beagles Junior Tennis Club provide a range of tennis services to the Burnside Community. This document outlines sponsorship packages that are available for a 12 month season – Summer and Winter. We look forward to discussing these with you. On behalf of Burnside Beagles Tennis Club members, thank you for your time in reading the attached sponsorship proposal document. We look forward to having you on our team!

Yours sincerely
