## Balancing School, Work and Service

### First scholarship recipient demonstrates how hard work pays off

The Board of Directors of the Marialla V. Magloire Foundation, INC is pleased to announce the inaugural recipient of the *Marialla V. Magloire Scholarship in the Arts and Sciences*, in the amount of \$500 to Irj Tajdar. Ms. Tajdar, a 2015 graduate of Leon High School in Tallahassee, Florida is an exceptional student, artist and civic leader. Known to her classmates as “RJ”, she has

performed particularly well in her science courses, and is also dual-enrolled at Florida Agricultural and Mechanical University, in Tallahassee, FL. She will be continuing her studies at the University of Central Florida, and afterwards plans on going to medical school to pursue a career as a physician. In addition to being dedicated to her studies, Ms. Tajdar also has been very involved in her community,

having participated in a number of fundraisers. We look forward to continuing to hear great things about our inaugural scholarship recipient, as well as awarding this scholarship to future Leon High School seniors with a passion for the Arts and Sciences.
