CLUB MEETS EVERY MONDAY, 6.15 P.M. AT

PRESBYTERIAN HALL, PEART ST., LEONGATHA.
WHAT IS ROTARY?

Rotary is surely one of the most remarkable organisations in the world today. Paul P Harris founded Rotary International on 23 Feb 1905 in Chicago USA and there are now over 1.2 million Rotarians worldwide.

All Rotary clubs support the same ideals of service to the community, promotion of high ethical standards in business and the professions, and the cultivation of friendship between individuals and between nations.

Rotary has a unique system of club membership where people with diverse backgrounds exchange ideas and form meaningful and lifelong friendships. The name “Rotary” derived from the group’s early practice of rotating meetings among the offices of each member.

Each Rotary club seeks to carry out projects of service to the community, whether it is aid to the sick, the under-privileged, the elderly or youth. Our club is very strong in supporting youth, e.g. International Youth Exchange, School debating, National Youth Science Forum, Model United Nations Assembly, Rotary Youth Driver Awareness and so on.

In the international field, a club will sponsor business study groups such as Group Study Exchange. It will finance assistance to the people of underdeveloped countries, e.g. Michael Malones’s Sustainable Kenya Dairy Project, Alan Vaughan’s Chittagong Hill Project in Bangladesh and seek to promote international understanding and goodwill.

The badge of a Rotarian is a small cogwheel lapel button and he/she may attend any Rotary club in the world at its weekly dinner meeting and enjoy the hospitality of that club, whatever the country or the language spoken. This is an essential part of Rotary International, a lively, friendly community of people over the last 108 years.

The Four-Way Test

The Four-Way Test is an ethical guide for Rotarians to use for their personal and professional relationships. Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
THE ROTARY CLUB OF LEONGATHA

In 1927 The Rotary Club of Melbourne, with its 37 members, was the first club in Australia to be admitted to membership in Rotary International. Clubs were then chartered at Dandenong in 1935, Warragul 1938 and Korumburra in 1948.

The first meeting to explore the possibility of starting a Rotary Club in Leongatha was held at 11 Ogilvy Street, Leongatha, Hubert Potter’s home. A second meeting to set up a sub-committee was held in the State Savings Bank, Leongatha, Ron Webb’s home. A third meeting at Water Trust Office in Roughhead Street and after a discussion and explanation of the ideals of Rotary, a vote was taken with the recommendation that a provisional club be inaugurated, the result was unanimous. The Club was organised on 26th October, 1953.

The Club was advised that a charter had been granted on 23rd November, 1953, with Korumburra being the sponsoring club. The first official dinner was held at the Kiwi Cafe.

The Charter Dinner was presented on 12th February, 1954 in the Memorial Hall; the Chairman was Ralph Hurst. The Investure of the Charter was done by Bill Birch. The Charter was presented by District Governor W. Eric Stinton to 29 members.

2003-04 Kevin Taranto (P), Jill Carmody (S), Stuart Evans (T), Meg Riseley (PE and Club Service), Gary Templeton [Immediate PP], Paul Beck (Vocational SD)
This year was approached with much anticipation, as Kevin [Tonto] Taranto, and Leanne, had already been having a very positive influence on the club for some time.
An inspired selection right at the start was Col McKenzie-McHarg as the bulletin editor. This bought an eloquence and turn of phrase to the club, which to say the least was a little “different”, for instance I quote the following: “relaxed affair the last meeting I must say - got off to a late start, and finished up early. The middle was a bit all over the place dog’s breakfast affair”.
Student exchange was well and truly on the agenda, Daniel Langstaff left for Switzerland and we welcomed Franz Schumacher from Germany. Another returning student was Sarah Lawry who had been in Canada.
We participated in the RYPEN seminar at Forest Edge, the students were, Rachel Harley, Mary MacKillop Catholic Regional College, and Garry Bethune and Amanda Lucas, from the Secondary College
We had several long serving Rotarians who retired this year [not Pres Kevin’s fault!]. They were PP Phil Carter [Pres 2000 -01], PP PHF Pat Higgins [Pres 1987-88], PP Bob Leslie [Pres 1989-90], and PP PHF Noel Smith [Pres 1973-74], a lot of experience lost.
On the other hand we welcomed the induction [again] of John O’Connor [Real Estate].
This was our 1st ride to conference [Bendigo]; Pres Kev and Michael Malone represented our club. Overall, the ride raised $6,000, for the Life Education Program. Speaking of rides, bit hard to beat Lindsay Powney, who rode a postie bike from Brisbane to Darwin! Michael Malone made an application for GSE Team Leader to Alabama, Michael was not successful, but he learnt a lot for his next try.
We all were on deck for the 48th Paddy’s Market, but it is getting harder to acquire goods of value.
The art show was run and won again. Total receipts for the night were $15,213. $6,800 was transferred to the club. We continued to support the Shires Australia Day program, by setting up chairs / stage etc. and also providing the public address system.
This year being our 50th anniversary, a very busy committee worked to ensure a great night was had by all. Guest speaker was Dr. Peter Love, from Swinburne University.
Pres Kev and Leanne hosted a very enjoyable Children’s Christmas Party. Santa [Lindsay] arrived by Harley Davidson, quite a sight to hear!
Some worthwhile progress was made to the tourist stop over several working bee’s, and we had a very productive wood cutting arvo in John Mackie’s back paddock.

Our first and to this time, only lady President, Meg is the daughter of the legendary PP, PHF, Phil Riseley, who was our first Paul Harris Fellowship Awardee.

Meg had aimed to complete the toilet stop, but for various reasons this did not occur. Two members were called to higher service, they were PP Roy Matthies [Ret], and Rotarian Geoff Cashin.

$7000 was raised at the Annual Art Show, but Paddy’s Market struggled, only raising $778, the wood raffle on the other hand, raised $1472! Community director John Mackie presented a cheque for $2250 to the club.

We had several joint club events, most notably at Wonthaggi to celebrate the 100th Anniversary of Rotary.

The Club maintained our involvement with student exchange, sponsoring 1 outbound and 1 inbound student. We also had 3 students attend the RYPEN weekend at Forest Edge.

This year had a very sombre start as incoming President Michael lost his wife Rhonda to cancer in the days before the changeover. It was Rhonda’s wish for Michael to continue with Rotary so he did. Surrounded by his family, Michael took office in memory of Rhonda, who had been his biggest supporter [in everything he had done].

Michael instigated the Sunday market. Driven by John Mackie, this was expected to gather momentum. Despite our best efforts, this did not prove to be the case, however $5,244 was raised over the year.

A Melbourne Cup function at Eugenie’s was a great success; this was an event close to Rhonda’s heart.

$6,352 was raised for an oxygen pump unit at the Palliative Care unit at the Southern Health Service.

The Annual Art Show was our best fund raiser, with $9,180 going into our coffers. Michael M is a great supporter [now director] of Gippsland Rotary Centenary House, and this club donated $14, 049 to the start of the project.

This was a busy Rotary year for student exchange: we welcomed Elliott Dearman back from Sweden, farewelled Rebecca Dutton to Germany, and selected Grace Collins for exchange to Brazil [In Jan 07]. Daniela Peier returned to Switzerland and our next incoming student is Marie Guillemain from France.

Youth Services were very busy, with involvement in the Secondary Schools Debate, National Youth Science Forum, RYPEN, and MUNA.

Our Ride to Conference team of Michael Malone, Kevin Taranto, Kerry Pritchard, Stuart Evans, and Col Byatt, raised $6,500.

The club distributed over $19,650 this year and had an interesting program.
The Art Show was again the biggest fund raiser of the year, followed by our Cup Day at Eugenie’s [$3,500], again the proceeds going to palliative care.

2007 was our inaugural “Show & Shine” event, which was a hint of bigger and better things to come.

New members were Gordon Morrison [Finance Manager], Helen Barrow [Pharmacist], and retiring members were PP Roy Bright, Rotarians Kevin Howard, Martin Scrimshaw, and June Alexander.

This year, 2 Paul Harris Fellowships were conferred on PP Richard Pegler and PP Garry Gardner. Before the year was out, we mourned the passing of long serving member, PP Pegler, PHF, a friend to all, including your author.

It is not often that someone from “Head Office” talks to the club in person, but we were able to have a talk from Carrie Charles who was at that time, Don Bruce’s future Daughter in Law. Carrie was an employee of Rotary International in Chicago USA.

Carrie and Dan are now happily married and ensuring the family business continues.

PP Michael Malone had the honour of leading the District GSE team to Wichita Kansas USA.

Student exchange remained large in the clubs program: we hosted Marie Guillemain from France. Bec Dutton returned from Germany and Grace Collins is in Brazil.

2007 – 2008

Neil Langstaff (P), Nick Dudley (S), Gordon Morrison (T), PP Stuart Evans (Immediate PP), John O’Connor (Club SD & PE), PP Kev Taranto (Community SD), Col Byatt (Intl SD), PP PHF Garry Gardner (Vocational SD). 32 Members.

Pres Neil listed the many and varied projects and involvements over the year:

Meals on wheels, Art Show, Melbourne Cup Day, Show & Shine, Leasing out Hessian Screens, Men’s Health Night, Corks for Motor Neurone Disease, Bowel Scan Project, Collect/Cut firewood, Building a Raised Garden at the Gray St Special Accommodation Center, Attend District Conference, Newsletter, Fellowship, Family Nights, Interesting Guest Speakers, Visits to The RACV at Inverloch and Mirboo Nth Brewery, Continued interest in the Secondary Schools Debate, and vigorous participation in Youth exchange, RYPEN, and Youth Science Awards.

$28,474 was raised from all sources, to support club projects.

Our incoming International exchange student was Amanda Nelson, from Moscow Idaho USA, outgoing was Ellie Thwaites, who departed for Oberland Switzerland.

The annual Secondary Schools Debate was won by Mary MacKillop Catholic RC.

This was the year we first looked into the possibility of creating new committee structures going forward. This was led by Pres Elect John O’Connor and his team.

The Art Show, Cup Day @ Eugenie’s, and Show & Shine, were again the major fund raisers for the year.

2008-2009

John O’Connor (P), Helen Barrow (S), Gordon Morrison (T), PP Neil Langstaff (Immediate PP), Col Byatt (Int SD & Membership), PP Ross Pearson (Rotary Foundation), Bruce Grainger/Michael Delaney (Club Administration & PE), PP Kevin Taranto (Service Projects), PP Col McKenzie-McHarg (S/A) with Michael Westaway as Assistant. 28 Members.

Two incoming presidents? This was due to 1st nominated president Michael Delaney having to resign the position due to work commitments. Fortunately at short notice, a very worthy replacement in the shape of Bruce Grainger agreed to take the position.

This year saw the introduction of the “Club Leadership Plan” which went smoothly, thanks to much forward planning and the goodwill of members.

An innovation this year was the exciting “Guess Who’s Coming to Dinner” fund raisers.
Our regular “Money Makers” all were well run and some additional events were a fund
raising dinner for Polio Plus, the Christmas Toy Appeal, Combined meetings with the Rotary
Club of Foster and the Lions Club of Leongatha.
We also assisted Red Cross to cater for fire fighters at Mirboo Nth during the bushfire
emergency.
Unfortunately we had a net loss of members this year due to some retirements and not
enough new members. At the end of the year the club had 27 members.
Ellie Thwaite has returned from Switzerland and Tom Dudley is preparing for his trip to
Europe. Special effort went into publicity this year; the intention being to raise the public
profile of the club.
The Secondary College Debate was well contested with Leongatha Secondary College
winning. Fellowship at club meetings and gatherings has been a feature this year.
The bulletin has maintained a high standard, which continued during the smooth
changeover from “His Honour” Col McKenzie-McHarg, to “Justice” Bruce Grainger. The
inclusion of “Candid Camera” photo’s on a regular basis has bright
ened up the publication,
lawsuits are pending.
The club raised $42,834 gross during this year.

2009 – 2010
Bruce Grainger (P), Kerry Pritchard(S), Gordon Morrison (T), PP John O’Connor (Immediate
PP), Col Byatt (Club Administration & PE), PP Col McKenzie-McHarg (Membership & S/A), Jill
Carmody (Service Projects SD), PP Ross Pearson (Rotary Foundation SD), Michael Malone
(Public Relations SD). 27 Members
Perhaps the highlight, or most significant event of the year, was the induction of 7 high
quality members in Kerrie Baker [Insurance], Philip Butte [Hotel Management], Ed Carmody
[Travel Consultant], Jim McNiven [Automotive Parts/Accessories Retailer], Lindsay Moore
[Veterinary Services & Geelong Supporter!], Danny O’Neill [Accountant], and Kerry Thornton
[Business Proprietor].
This year also saw two more inductees as Paul Harris Fellows, when PP Ross Pearson and PP
Col McKenzie-Mcharg were honored by the club..
The enthusiasm generated by the new blood, coupled with the implementation of the “Club
Leadership Plan” by PP Gary Templeton, really kept the club on its toes.
This was also the start of the “Gallipoli Project” which involved the selection of 3 students to
attend the Anzac dawn service in Turkey, being hosted by Turkish families and then a return
visit to Australia by Turkish Students, with their teachers. The local RSL was, appropriately,
also involved in helping fund the project. The project was embraced by the whole club, while
being driven specifically by Col and Barb Byatt.
Some innovations were a BBQ at Mossvale Park to start the year and a President’s Cocktail
Party to end the year.
A special night was run at the Mardan Hall as a fundraiser for the Gallipoli project.
A great supporter of our club is Carmel Slater, who again staged a concert at the Celia Rosser
Gallery, Fish Creek.
A re-designed, re-invigorated and re-named “Prom Country Arts Show” was a success and
the “Show & Shine” continued to grow.

2010 – 2011
Col Byatt (P) , Kerry Pritchard (S), Gordon Morrison (T), PP Bruce Grainger (Immediate PP),
Paul Beck (Club admin & PE), Kerrie Baker (Public Relations SD), PP Kevin Taranto (Service
Projects SD), PP PHF Ross Pearson (Rotary Foundation), PP PHF Col McKenzie-McHarg
(Membership SD), Ed Carmody (S/A). 33 Members.
This year, the club’s strategic plan was implemented. This was driven by Gary Templeton with input from current directors and past presidents. Membership has now grown to a very healthy 39 by the end of the Rotary year. New members Leonnie McCluskey [Education – Primary], Shirley Seabrook [Agricultural Consultant], Tahee Lee [Dental Surgeon], Harry Leggett [Manufacturing], Kaz Hughes [Real Estate Sales] and Sue Dutton [Nursing Services] were welcomed to the club.

Thanks to the efforts of Kerrie Baker and Phil Botte the club has its own website, and we are being dragged kicking and screaming into the “E” ways of the 21st century. Fund raising was up by $20,000 on last year, thanks to the usual events i.e., a “Hard Day’s Night” Dinner Auction, a lot of work for the committee, but a great result.

Student exchange continues with Tom Dudley back from Switzerland and Abby Butler off to the USA. Thilo Schweizer from Switzerland is making his mark on the Leongatha community. RYPEN, MUNA, RAIC, and the Secondary Schools Debate all continued, with Leongatha Secondary College winning the debate.

We met with the Rotary Club of Korumburra to hear the story of the Wonthaggi Desalination Plant and everybody can make up their own mind on that one! $31,000 has been distributed this year, notably $10,000 to the town of Charlton, which had been badly hit by floods. The Gallipoli project continues to gather strength, as it continues to garner support from the schools and the RSL.

Our secretary was being swamped by emails from many sources, not the least of which was the district. Such is the new “E” world. We had enjoyable outings such as visiting “Bellevale Winery”, Christmas break up at the McKenzie-McHarg’s, a working bee and BBQ at the Rotary Shed and fellowship at Kerry Thornton’s.

“New” member Ed Carmody proved to be a very effective Sergeant at Arms. Instigated by Pres Col, each 5th Monday of a month we enjoyed social dinner away from our usual venue, such as “The Manna Gum”, “Thornton’s”, “Bellevale Winery” and McCartin’s Hotel.

The 2010 – 2011 annual report also contains a very detailed story on the Turkish Exchange by Rtn Leonnie McCluskey.

2011 – 2012
Paul Beck (P), Kerry Pritchard (S), Gordon Morrison (T), PP Col Byatt (Immediate PP), Nick Dudley (Club Administration & PE), Daniel O’Neill (Service Projects SD), Kerrie Baker (Public Relations SD), PP PHF Col McKenzie-McHarg (Membership SD), Ed Carmody (Rotary Foundation SD), Jim McNiven (S/A). 39 Members

President Paul and his team led the club through a very successful year and fellowship was a highlight. The club was described at district level as vibrant, and a definite buzz was evident at meetings. The club’s strategic plan continued, and we were within reach of several of the goals in the Five Year Plan. The membership of the club at the end of the Rotary year is now 43, with 6 new members: Christine McDonald [Company Manager], Barry Paterson [Media Broker], John Ellis [Winemaker], Tim Marriot [Machinery Retailer], Jo White [Aged Care Management], and Alan Bartlett [Real Estate Sales]. We also reluctantly accepted the retirement of PP PHF Ron Stanley, a member for some 40 yrs. Over 3 years our membership has increased by 16, and this was recognized by the district, who presented the club with a citation for “Highest Membership Growth 2008 – 2012”. At Conference the District also awarded the club with the “Highly Commended Website”. Thanks to Kerrie Baker and Phil Botte.

Our “MUNA” team was selected to compete in the Canberra final. They did not win but gave it a good try. The Turkish exchange continued to gather strength and popularity under the guidance of Leonnie and her “apprentice”, Shauna.

We welcomed Leonie Albers from Germany for a 12 month exchange, Abby Butler returned from the USA, and Libby Panther departed for Switzerland.
Our 3 main projects have been successful, that is, the “Prom Country Art and Photography Show”, The “Saturday Night Live” Supper Dance and the “Show & Shine”. Net profit was approx. $34,000 from these events alone.

Other notable fund raisers were the concert at the Celia Rosser Gallery Fish Creek, organized by Carmel Slater, “Hot November Night” put on by Korumburra Rotary Club and PP PHF and OAM Bill O’Neill, “Red Dog” film night organized by Kerrie Thornton and Marg Beck. Very welcome funds continued to flow from Nick Anagnostou’s “Gold Coin” donation Jar, for his JP work.

This year the Jamie Taylor Trust set up in 1972 as a Benevolent Fund for his medical costs was wound up. It had been used through the years to support others with donations for medical costs. $11,595 was divided between ROMAC, Interplast, and the Kelly Richards Family Trust. Our Mental Health Awareness Night, “Hats Off to Good Mental Health” was a success.

Again we were well represented on “Ride to Conference” with 6 riders participating. $6,600 was raised and the “Quiet Achievers Award” went to Leonie Albers.

PP PHF Michael Malone’s Kenyan project continues to gain District and community support with $24,000 raised so far and our club has pledged $5,000.

This year was the centenary of the Leongatha Secondary College [Leongatha High School]. A time capsule that was buried in 1972 was dug up and opened. We received a letter from Rotary President 1972 – 1973 Wal Slaney, addressing the club of 2012! Included were high quality photos of their Club at a meeting. Your author was introduced to this club by Wal Slaney.

Some social nights were held at Leongatha Bowls Club, McCartin’s Hotel, PP Kev and Leanne Taranto’s place, Lucinda Estate, and Pres Paul and Marg Beck’s place.

2012 was a very busy and rewarding year with $21,000 distributed, $10,000 put aside for the expected big project in the next few years and $5000 for the Kenyan project.

Over 20 members and partners attended the Ballarat conference.

Yes, the club is now on Facebook and Twitter.

2012 – 2013

Nick Dudley (P), Sue Dutton (S), Daniel O’Neill (T), Kerry Pritchard (Club Administration & PE), PP Paul Beck (Immediate PP), Jill Carmody (S/A), Jim McNiven (Service Projects SD), Ed Carmody (Rotary Foundation SD), PP Col Byatt (International Projects SD), PP PHF Col McKenzie-McHarg (Membership SD). Kerrie Baker (Public Relations SD). 44 Members

Our club continues to enhance its reputation for great fellowship, thanks to the interesting and varied programs offered to them.

New members are Cam Abood [Civil Celebrant], Jeremy Curtis [Knockwood Estate], Andrew Debenham [Dairy Nutrition], Mary Dortmans [Registered Nurse], Graeme O’Connor [Camping and Outdoors Retailer], and David Panther [Mens Wear Retailer]. Thanks Col McK McH for your hard work in attracting new members.

This year saw the passing of our last charter member PP Allan “Jacko” Miles [Ret] and also PP Roy Bright [Ret], PP Max Winkler [Ret] and John Westaway [Ret].

Four Paul Harris Fellowship Awards were presented this year, to PP Michael Malone, PP Kevin Taranto, PP John O’Connor, and PP Col Byatt, all very well deserved.

Meetings at members’ homes were a feature of fellowship this year, such as the Christmas party at Jim and Shirley Seabrook’s, PP PHF Ross and Marj Pearson’s for the first meeting of the new year and a fellowship evening at Chris and Grant McDonald’s for the 5th Monday.

Youth took a large part of the program as usual. The Secondary College Debate was won by Mary Mackillop Catholic Regional College. We also participated in international exchange, RYPEN, MUNA, RAIC, and the Gallipoli Turkish Exchange. This year 6 students participated in the exchange guided by Leonnie McCluskey and Shauna Delaney. We said good bye to
exchange student Leonie Albers and welcomed home Libby Panther. Matt Dudley left for Finland and is having an enjoyable year. Our exchange student Annika Ruokolahti from Finland was exemplary and left a great impression with the club.
Over 30 Rotarians and partners attended the Geelong conference thanks to efforts by Kerrie Baker. We had 10 riders on the Ride to Conference including Annika and Marg Waldron. The ride was marred by the death of Cranbourne rider Jarred Dunscomb on the last day. We won the trophy shield for the most competitors and Rtn Kerry Pritchard won the Star Performer’s award.
The club website and Facebook sites have continued to grow with the club truly entering the digital age.
This year the 3 major fund raisers netted over $35,000. New events were the Machinery Clearing Sale and a Ride to Conference Auction Night. These raised an extra $8,500. Total donations for the year were just over $33,000. We now have $22,500 put aside for our future, as yet unnamed, major project. A very successful year.
2013 – 2014
Kerry Pritchard (P), Sue Dutton (S), Chris McKenzie (T), Col McKenzie-McHarg (Membership SD), David Panther (Public Relations SD), Gordon Morrison (Club Admin & PE), Jim McNiven (Service SD), Lindsay Moore (Foundation SD), Shirley Seabrook (Vocations SD), Leonnie McCluskey (International SD). 44 Members
Yes, this is the 60th year of our service to Leongatha and District, but that is not all, because of Rotary being an International organization, we have also influenced and helped innumerable people, places and projects all over the world. Because we are members of Rotary, we have made a DIFFERENCE in so many ways. We should be proud of this.
The student exchange program alone means that we have friends in all parts of the world. This reminds me of how small the world has become.
This is a true story, friends of mine were in a queue at a West End Theatre [London] some years ago, and the young lady behind them noticed the accents, and introduced herself as Arne Tetri from Finland, telling them she had been an exchange student in Australia and where were they from? Thinking too much detail would be a waste of time, they said Melbourne, where in Melbourne? Was the query, well, south east of Melbourne actually, was the reply, where exactly? was the query again, finally they said Leongatha, she said great, I was on exchange at Korumburra, say G’day to Pam and Garry Gardner for me, when you get back! As I said it is a small world and getting smaller thanks to electronics / internet / Face book and Twitter.
On a sad note, this year will also be known as the time we lost some members of the Rotary family. The club was shocked by the sudden passing of PP PHF Ross Pearson, a long serving member, and pillar of the club. Our sympathy is extended to Marj, Tim, Angela and their families. Also, due to a horrific car accident, PP Alan Moore [ret] and his wife Elsie were both killed. Again the club extends our sympathy to Shane, Brett, Linda, and their families.
On a lighter note, the year kicked off with a great “Christmas in July” at the Carmody hacienda, maintaining the fellowship we are renowned for.
By the time you read this, we will have completed another Prom Arts Show, and be fully into organizing the Show & Shine.
Yes, things are always happening, hopefully for another 60 years at least.
Yours in Rotary
