

Introducing Dogs on Duty Therapy Dogs. We are a relatively new therapy pet organization in the area. I wanted to take this opportunity to share our information with you. We provide opportunities for visits on a regular basis with friendly pets at your facility.

Dogs on Duty is a non-profit therapy organization based in St. Peters, MO. We coordinate visits with volunteer teams (owner/pet) and facilities that are requesting visits. We are currently adding new facilities to the list of places that the volunteer teams can visit. The volunteer teams can help to ease grief, stress, and loneliness through friendly visits. All volunteers have had background checks and have been educated before visits. All pets are friendly, socialized and current on vaccinations.

If you are interested in having your facility put on the list for visits please follow the links below to register your facility and to appoint a facility coordinator (contact).

We hope to be visiting and bringing smiles to your facility soon. If you have any questions please feel free to contact me directly.
