- Input
 - Ready to move forward to the next steps?
 - Yes.
 - RHS CPM
 - Concerns were shared about the curriculum for students and teachers.
 - This was addressed:
 - Meetings/trainings have occurred throughout the year with the high school math teachers.
 - After 1 year, the teachers are more comfortable with the curriculum.
 - Teachers are developing benchmarks for each trimester.
 - Benchmark testing throughout the year for each course, to better understand where the students are, find strengths and weaknesses, and plan next steps.

- Utilizing pacing guides.

- PAC Meetings next year
