Dr. "Ziggy" Robeson, Superintendent

Mrs. Dana Phelps, Principal

Hello Ripon Elementary Families,

The time has come for CAASPP state testing. It is extremely important to have your support and help during these upcoming testing weeks. Please make sure that your child gets plenty of rest and has a nutritious breakfast. Please try to avoid scheduling any appointments during the school day. It is crucial that your child is in school for their testing window week.

We always encourage our students to have a positive attitude and always try their very best when testing. If students know that taking the test and doing their best is considered important to the adults in their lives, they tend to work harder and put forth their best effort.

We appreciate your partnership in providing the best opportunity for your child's success.

Thanks for your support,

Mrs. Phelps
Principal
