

Visit of Mark Greenwood to Rugby

The widely experienced Evangelist Mark Greenwood will be visiting us in October for our (Autumn) REVIVE Leaders' Morning. Mark has spent almost 30 years in full-time evangelism helping churches across all denominations to establish a healthy culture of evangelism. In January this year he began work as Head of Evangelism and National Evangelist for The Elim Pentecostal Church. He is also an associate Evangelist with J. John and is experienced in equipping churches, and groups of churches, in effective mission through consultancy, speaking and resources. His theme will be:

"Creating a healthy culture of evangelism in the local church".

Mark will be speaking to us on Wednesday October 11th during the REVIVE Leaders' breakfast at Rugby Baptist Church 08.00 – 09.30, followed by 2 teaching sessions: 09.45-12.45. A booking form can be found below. Please feel free to circulate this invitation flyer to others in your church leadership team too.
