| 5. | <p>Interpretation Board</p> <p>Sarah has been working on the development of an interpretation board for the village, which the Parish Council have agreed to fund.</p> | |

| | | |
|----|---|--|
| | <p>An interpretation board is a map of points of interest in the village that is approximately waist height. Sarah placed an advert in the Bradling Stone asking for suggestions and has had a good response. She also has a meeting with Hannah Hague to identify the historical points of interest for inclusion on the map.</p> <p>It had been suggested that its location be at the entrance of the new car park, not the bus shelter because that is a war memorial and it would not be appropriate to detract from that. Additionally, Sarah suggested that a smaller copy be held at the Village Hall and in leaflet format.</p> | |
| 6. | <p>Summer Planting</p> <p>There was a brief discussion about the planting scheme and it concluded that people think about it for discussion at the next meeting.</p> <p>Actions BGA_061: Ann to confirm the RHS theme.</p> | BGA_061 |

| 8. | <p>AOB</p> <p>The guttering on the bus shelter is leaking, which is killing the plants in the trough below. Sarah will raise with the Parish Council. Jim has already cleared the guttering of leaves, so that is not the cause. It was agreed that in the interim, we move the trough away from the leak.</p> <p>Napley Corner was discussed as a potential project.
