

Class Title Tet**Skill Level:** Intermediate**Prerequisite:** Peyote**Schedule:** Tuesday, June 20, 2017, 6-8pm**Instructor:** Charlene Abrams**Class Price:** \$43

Learn how to make cute little tetrahedral beaded beads using peyote stitch with three colours of seed beads. A single tetrahedron makes a delightful earring; two make an eye-catching pendant and more can be joined to make a lively necklace or bracelet.

Size 11 seed beads work very well, but size 15s make darling diminutive beaded beads too!

Fringe beads add a pop of extra colour as well as textural interest; for a more subdued look choose small Magatamas, and for an even more subtle effect choose Berry Beads.
