Skwer

**Skill Level:** Intermediate

**Prerequisite:** Peyote

**Instructor:** Charlene Abrams

**Class Price:** \$43

Skwer updates an older design to use a rivoli as the focal instead of a fire-polished bead - who wouldn't want more sparkle?

The motif is substantial in size but surprisingly lightweight, making it suitable for earrings as well as for a pendant.

We will discuss joining multiple Skwer components in a row for a cuff, or arranged as the focal of a necklace.
