Flabellum Pendant

Skill Level: Intermediate

Prerequisite: Right Angle Weave & Peyote Stitch

Instructor: Charlene Abrams

Use right angle weave and a selection of different sizes of beads to capture a rivoli to form a pendant with a wide flange with a repeating fan-like motif. Choose size 11 seed beads in a main (possibly metallic) colour and a highly contrasting colour for the right angle weave cluster in the centre of each fan motif.

Optionally, instead of a pendant, make this the focal of a necklace by making the Flabellum Chain (Thursday January 18th 6-8pm)
