## How could your business benefit?

By supporting our committee you can have your logo and a link to your website or Facebook page on our homepage [tinyurl.com/portcaen](http://tinyurl.com/portcaen)

We will also mention your business in a blog post on our newsfeed [tinyurl.com/caenport](http://tinyurl.com/caenport) as a business which has supported us in our fundraising.

Whenever there are further opportunities for your business to be promoted both here and in Caen, we will let you know.

## Support us, we support you

We organise social events to raise funds which will help us support twinning activities throughout the year. We hold a quiz evening and other social gatherings in and around the city.

We host a team from Caen who come to compete in the Great South Run each October. We send a group of runners to Caen for their Courants de la Liberté event each June. The participants mainly fund themselves to take part in these events, but we seek to give the participants from Caen as warm a welcome here as they show our participants there.

Events and activities organised are posted on our newsfeed [tinyurl.com/caenport](http://tinyurl.com/caenport), on our Facebook page and our Twitter feed @PortsmouthCaen.

## Get involved

**We are always looking to connect with interested parties**

If you feel you might like to become involved in twinning in any way, you can come to any of our social events, which you will find posted on our website, Facebook page or via our Twitter Feed.

From time to time, we will have vacancies on our committee, which also works to promote links with our other twin city in Germany, Duisburg. This does require a minimum commitment to attending a meeting every other month to help plan and discuss events.

To subscribe to our newsfeed, you need only enter an e-mail address on our homepage: [tinyurl.com/portcaen](http://tinyurl.com/portcaen).

**Prefer to e-mail us a question?**
