

***With Brexit on the horizon, Frankfurt's star is on the rise***

1. Banking reputation (*Frankfurt's many charms are often blurred by its banking reputation*)
2. Every third person (*Indeed, every third person in Frankfurt is a foreigner ...*)
3. Financial capital (*But, Frankfurt — as the financial capital of Europe's economy — has an edge over the competition*)
4. Cost of living (*Other bonuses include Frankfurt's relatively low cost of living compared to London ...*)
5. Peace and quite (*Most natives will tell you that Germans have a strong need for peace and quiet ...*)
6. Museum row (*The Sunday pace leaves time to take in museum row ...*)
7. Face-to-face approach (*But, if you prefer a more face-to-face approach, the city hosts a newcomer's festival each September*)
8. Relocation agent (*If you can swing it, use a relocation agent ...*)
