

CrossCulture Programme

Motivation Letter

1. Please answer the following questions as detailed and complete as possible.

What are your motivations for applying for the CrossCulture Programme? Why would you like to obtain a professional fellowship in Germany/the host country?

Please indicate your position and responsibilities at your home organisation and/or your social or societal commitment in your home country.

What do you expect from your professional fellowship at an organisation in Germany/the host country? Which professional skills and knowledge would you like to acquire?

How would you contribute to the work of your host organisation in Germany/the host country?
What kind of experiences, skills or contacts would you like to share?

How would your home organisation and/or community benefit from your participation in the CrossCulture Programme?

2. Please indicate a specific objective for your personal and professional development as well as an organisational objective to which your participation in the CrossCulture Programme could contribute to:

Personal objective

Professional objective

Organisational objective

I hereby declare that the above statements are correct and complete. I understand that any misinformation will lead to the exclusion from the CrossCulture Programme.
