

Paul G. Duke Foundation presents:

WACO Aviation Cadets is an extra-curricular program designed for students ages 10 – 16, who may be interested in pursuing a career in an aviation field. Cadets will meet 2-3 times per month to work on aviation projects, to learn more about flying, or take a related field trip.

- Hands-on Aviation Learning
- Let It Glide Challenge
- Build & Fly RC Aircraft
- Fly simulators
- Orientation Flight

Fall Kick Off
October 4th
7 pm

Registration will remain open through October 20th.

Registration fee is \$150 and the program runs October through May.

Ages will be divided: Doolies, Third Class, Second Class, and First Class
