

## DISCLAIMER / RELEASE FORM

Dry Salt Aerosol (Halotherapy) Care is 100% natural, safe, and drug free, providing effective long-term relief. It can be used as a complementary treatment to prescribed medications or as a sole treatment. As a complementary treatment, it can increase the effectiveness of prescribed medications and decrease the amount prescribed.

Although published studies do indicate that Dry Salt Aerosol (Halotherapy) Care appears to have health benefits as an addition to more traditional forms of medicine, Refresh Salt Room does not claim to be a replacement for medication or any medical treatment of any kind. Your physician or other health professional only, can best advise you on matters of your health. The research supporting the use of Dry Salt Aerosol (Halotherapy) Care was undertaken outside of the USA and hasn't been filed with FDA for approval.

This product is not intended to diagnose, treat, cure, or prevent any disease.

Dry Salt Aerosol (Halotherapy) Care should be avoided during the acute phase of any illness, including but not limited to the following: infections accompanied by fever, acute active tuberculosis, cardiac insufficiency, COPD in the third stage, bleeding, spitting of blood, contagious ailments, have use of an oxygen tank to aid breathing, alcohol or drug intoxication, unstable or uncontrolled hypertension, and acute stages of respiratory diseases.

I, a client of the Refresh Salt Room, hereby release the Refresh Salt Room, LLC, and its directors, officers, employees, agents and professional staff from all actions, causes of action, suits, claims, liability, damages and demands of any kind, whether direct, indirect, special, exemplary or consequential, including interest thereon (the Claims) which may occur as a result of any injury including death sustained by myself or others resulting from the receipt of Salt care. During the Dry Salt Aerosol (Halotherapy) Care session, Refresh Salt Room, LLC., is using pure and untreated 99.9 % sodium chloride only.

I fully understand the above disclaimer and use the Dry Salt Aerosol (Halotherapy) Care at my own risk.
