

Operation Good Deed Doer

Beach Kind

Mission 014

>>>NOTICE: These orders may self-destruct!

A bucket of goodies
you have found.
Full of kindness
to spread around.

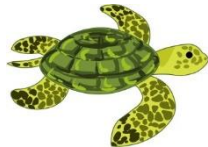

In the bucket,
as you'll see,
there are two
of each goody...why?

Well, one is for you!
Then you get to do
a random act of kindness, too!

Leave the second set
for another to find
or give it away
and enjoy being kind!

Not only will your kindness
make someone feel good and smile,
you will never know how many others
your kindness will inspire!

There are also two trash bags,
as you'll see.
Our friends, the turtles
of the sea,
use the beach
like you and me.

Keep it clean
for all to use
and always be kind
in all you do!

ORDERS:

- Share the second set of goodies in the bucket & help clean up the beach!

>>>DIRECTIVE: Spread kindness! Have fun! Over and out!

Help us inspire others to spread kindness!
