## A Program on the Rise!

It is a very exciting time to be part of Walnut Hills Volleyball! In its first year under all new coaching, the program, top to bottom, had one of its best seasons ever.

Not only did the Varsity team post its most match, game, and conference wins in five seasons, but the team also won its first playoff match in four years.

Even more exciting for the program are the recent successes of the lower levels!

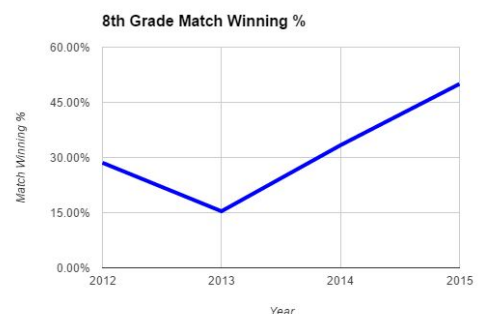

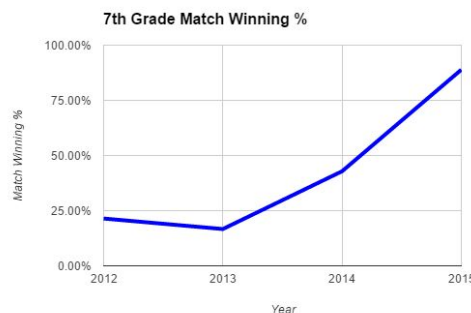

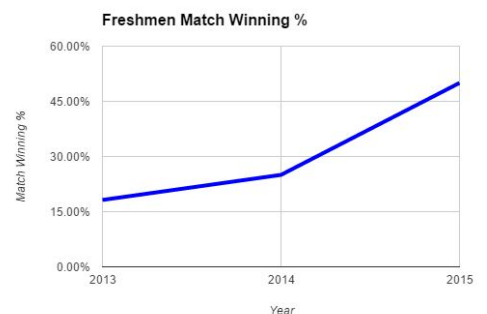

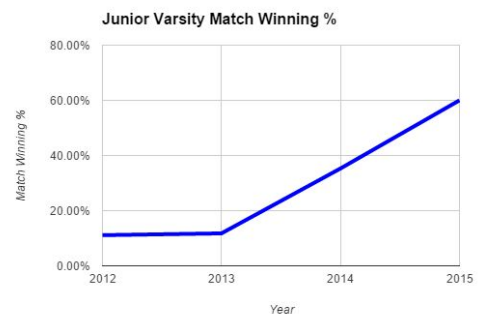

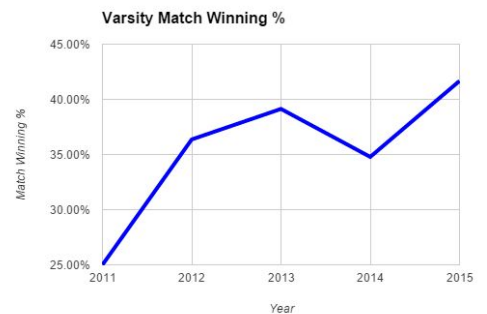

- This year, the 7th grade team spent much of the season with an undefeated record and finished as regular season conference champions with a 16-2 record, the best ever for Walnut Hills.
- The 8th grade team finished the season with an 8-8 record before finishing in 3rd place at the conference tournament, both the best on record for the Walnut Hills 8th grade team.
- The Junior Varsity team finished with a record of 12-8, the team's best on record at Walnut Hills.
- The Freshmen team finished with a record of 8-8, also the team's best on record at Walnut Hills.

Combining a strong Varsity season with unprecedented levels of success at the other levels, Walnut Hills Volleyball is poised to continue growing and improving into a volleyball power in Cincinnati. Come join the excitement!
