

Kieu Pham Gray

is coming to:

Holey Rocks \$65

Friday June 22nd 3-6pm

Beginner

Learn to drill stones using a rotary tool. In this class we will discuss the right tools, bits, and all the right supplies you will need to make Hole-y Rocks of your own.

Materials Fee: \$40 will provide enough materials for 2 pendants (stones (will vary), leather cording, copper wire)

Riveting Enamel \$55

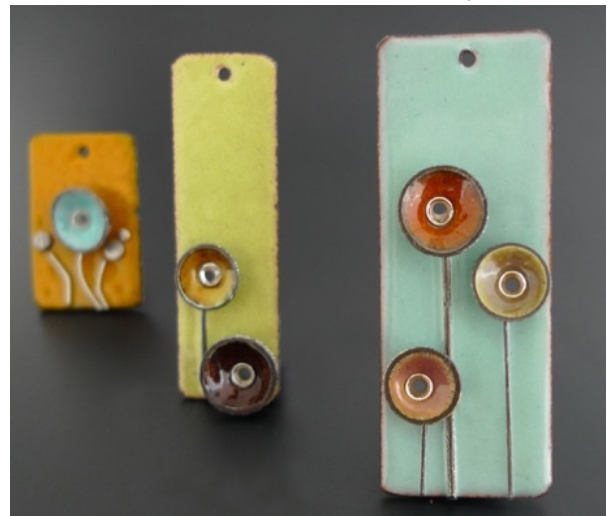

Saturday June 23rd 10-1pm

Beginner

Learn enameling and cold connections in one class. You will learn to torch fire enamel on copper and use transparent enamels on silver to create true colors. After firing all the pieces you will rivet the pieces together.

Students will finish at least one pendant.

Materials fee: \$40 will provide enough materials for 2-3 pendants (copper sheet, copper chain, copper jump rings, SS rivet, SS stock, enamel for use)

Silver H2 Oh!- Water Casting \$65

Saturday June 23rd 3-6pm

All Levels

Create nature-inspired pieces for one-of-a-kind pendants, rings, earrings, and more!

This free-form technique is fun, easy, and foolproof. No piece could ever be wrong! In addition to completing the pendant shown, students will have the opportunity to make several pieces that may be used after the class. Students will finish the project in class.

Materials fee: \$58 will provide enough material for 1-2 pendants (sterling silver casting grain, SS jump rings, SS earring wires, SS tube, SS neck chain

Pearl Statement Ring \$65

Sunday June 24th 10-1pm

Intermediate

Fresh water pearls, delicately placed on a ring to create a harmonic marriage to silver.

Materials fee: \$52 will provide enough material for one sterling silver ring (SS sheet, SS wire, pearls (may vary))

Twinkle Twist Bracelet \$65

Sunday June 24th 3-6pm

Beginner

In this class we will make a twist and add a twinkle to create stacking bracelets. You will learn to solder, forge, and twist sterling silver.

Materials fee: \$55 will provide enough material for two bracelets (SS stock, SS cones, Swarovski crystals, sanding materials)

All classes require kit purchase please call shop for more details and to sign up:
