

Privacy Policy

GetGood takes the protection of your personal data very seriously. We provide our Privacy Policy here to explain how we gather, use and protect the personal data that you have provided to us and/or that we possess about you. This Privacy Policy is to assist you in making an informed decision before providing us with any of your personal data.

“Personal Data” or “personal data” means data, whether true or not, about an individual who can be identified from that data, or from that data and other information to which an organisation has or is likely to have access. Common examples of personal data could include name, photo and contact information.

By using our Services, you are accepting the terms of this Privacy Policy. If you do not consent to the processing of your personal data as described in this privacy policy, please do not use our services or access our Sites. Any external links to other websites are clearly identifiable as such, and we are not responsible for the content or the privacy policies of these other websites.

1. Information Collected or Received

GetGood will not sell or disclose your name, email address or other personal information to third parties without your explicit consent, except as specified in this policy.

As a GetGood member you are required to provide a valid email address at registration and optionally choose a username or alias that may represent your identity on GetGood. We do not retain any information of your game register email and password as it is done securely through the game login client.

Your username, GetGood ID, is publicly displayed and connected to your GetGood activity. Other people may see your date joined, feedback, ratings, profile information, likes, coach listing (lesson), player listing, group listing, and comments in community spaces.

GetGood automatically receives and records some information from your browser when you visit the Sites, such as your IP address, cookies and data about which pages you visit on the site through the

use of log files provided by our third-party tracking-utility partners. This information helps us analyze and understand how the site works for members and visitors.

GetGood may receive some data from those connected third-party applications. Connecting your GetGood account to third-party applications or services is optional, and when you connect your account to an external app, you will be given the opportunity to grant permission. You can revoke your permission under your GetGood account settings.

GetGood uses the information described in this policy to provide and improve our services and products, for identification and authentication purposes, to contact members or interested parties, and for general research and aggregate reporting.

2. Messages from GetGood

On occasion, GetGood will send you messages. The default, required form of communication is email.

Some messages from GetGood are service-related and required for members. Examples of service-related messages include, but are not limited to: a welcome/confirmation email when you register your account, notification of offers or sales of services, or correspondence with GetGood's support team. These messages are not promotional in nature. You may not opt-out of receiving service-related messages from GetGood, unless you close your account.

As a member, GetGood may also send you messages related to certain features on the site or your activity. GetGood may also send you news or updates about changes to our site or services.

3. Community

GetGood is both a marketplace and a community. We offer several features that allow members to connect and communicate in public or semi-public spaces. Please use common sense and good judgement when posting in these community spaces or sharing your personal information with others on GetGood. Be aware that any personal information you submit there can be read, collected, or used by others, or could be used to send you unsolicited messages. GetGood generally does not remove content from community spaces, and your posts may remain public after your account is

closed. You are responsible for the personal information you choose to post in community spaces on GetGood.

Our Services enable GetGood members to share personal information with each other, on almost all occasions without GetGood's involvement, to complete transactions. In a typical transactions. In a typical transaction, users may have access to each other's name, email address and other contact and/or billing information. Our Terms of Service require that Users in possession of another User's personal data (the "receiving Party") must (i) comply with all applicable Privacy Laws; (ii) allow the other user (the "Disclosing Party") to remove him/herself from the Receiving Party's database; and (iii) allow the Disclosing Party to review what information has been collected about them by the Receiving Party.

4. Information Sharing & Disclosure

We respect your privacy. GetGood will not sell or disclose your name, email address or other personal information to third parties without your explicit consent, except as specified in this policy.

GetGood limits access to your personal information to employees who we believe reasonably need to come into contact with that information to provide products or services to you or in order to do their jobs.

GetGood may release your personal information to a third-party in order comply with a subpoena or other similar legal procedure, or when we believe in good faith that such disclosure is necessary to comply with the law; prevent imminent physical harm or financial loss; or investigate or take action regarding illegal activities, suspected fraud, or violations of GetGood's Terms of Service. We may disclose personally identifiable information to parties as we in our sole discretion believe necessary or appropriate in connection with an investigation of fraud, intellectual property infringement, piracy, or other unlawful activity.

GetGood employs other companies and people to perform tasks on our behalf, and we may need to share your information with them to provide products and services to you. Examples include but are not limited to fulfilling orders, analyzing data, providing marketing assistance and providing customer

service. GetGood may partner with third-party services for fraud prevention and/or identity verification.

In some cases, GetGood may choose to buy or sell assets. In these types of transactions, member information is typically one of the business assets that is transferred. GetGood will transfer information about you if GetGood is acquired by or merged with another company. In this event, GetGood will notify you by email or by putting a prominent notice on the site before information about you is transferred and becomes subject to a different privacy policy.

When you load a page on GetGood that has a social plug-in from a third-party site or service, such as a Like or Send button, you are also loading content from that third-party site. That site may request cookies directly from your browser. These interactions are subject to the privacy policy of the third-party site.

We can only speak for ourselves; this policy does not apply to the practices of third parties that GetGood does not own or control, or individuals that GetGood does not employ or manage. If you provide your information to others on GetGood or throughout the Internet, different rules may apply to the use or disclosure of the information you provide to them. GetGood does not control the privacy policies of third parties, and you are subject to the privacy policies of those third parties where applicable. GetGood is not responsible for the privacy or security practices of other websites on the Internet, even those linked to or from the GetGood site. We encourage you to ask questions before you disclose your personal information to others.

5. Security

The security of your personal information is important to us. Your GetGood account information is protected by a password. It is important that you protect against unauthorized access of your account and information by choosing your password carefully, and keeping your password and computer secure by signing out after using our services.

GetGood follows generally accepted industry standards to protect the personal information submitted to us, both during transmission and once GetGood receives it. No method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, while we strive to use

commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

6. Data Retention

GetGood will retain your information for as long as your account is active or as needed to provide you services. If you no longer want GetGood to use your information to provide you services, you may close your account. Following account deactivation, public information such as your username, public bio, items listed, public comments, favourites and follows will be removed. Private communication between users such as chats and offers made are not information that is specific to your account alone. As such, these are not part of your account and will not be deleted upon account deactivation.

We will retain personal data in accordance with the Privacy Laws and/or other applicable laws. That is, we will destroy or anonymise your personal data as soon as it is reasonable to assume that (i) the purpose for which that personal data was collected is no longer being served by the retention of such personal data; (ii) retention is no longer necessary for any legal or business purposes. If you cease using the Sites, or your permission to use the Sites and/or the Services is terminated, we may continue storing, using and/or disclosing your personal data in accordance with this Privacy Policy and our obligations under the Privacy Laws. Subject to applicable law, we may securely dispose of your personal data without prior notice to you. GetGood will retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

7. Privacy Policy Changes

GetGood reserves the right to modify this privacy statement at any time, so please review it periodically. We'll communicate changes by posting a notice on the site. If we make material changes to this policy you will be notified here, by email, or other places GetGood deems appropriate.

8. Contact GetGood

If you have questions or suggestions, you can contact GetGood's support team by sending an email to support@getgoodapp.com

If you have any questions, complaints or grievances regarding how we are handling your personal data or about how we are complying with Privacy Laws, we welcome you to contact us by sending an email to support@getgoodapp.com and Attention it to the “Personal Data Protection Officer”
