

We invite you for a once-in-a-lifetime experience,

Enlightened-Life Retreat

with Master Del Pe

The Enlightened-Life Retreat will surprise you with a breakthrough strategy to rapidly achieve enlightenment in this lifetime. Take home teachings that lead you to a quantum leap of consciousness beyond your expectation.

About the Program

Master Del Pe designed this comprehensive program to spiritually jumpstart participants to find their higher path and start creating breakthroughs in life. You can say that after this immersion program, participants will experience a quantum leap of consciousness leading to inner life *initiations*. The spiritual *initiation* performed by Master Del Pe with the participants includes awakening their Soul connections while activating their *sacred fire* to a high degree, resulting in *spiritual alchemy*. Any serious seeker on the higher path will find this enlightenment process not only a blissful experience but worth dying for.

Many people around the world waste time doing meditation, yoga and spiritual rituals in the hope that one day they will get enlightened. This is a myth and needs to be rectified. For one to awaken their Soul and culture their ego, practitioners require a serious curriculum and life-mentoring. This approach avoids the old ways of trial and error which waste a lot of the seeker's time, resources and opportunities to get enlightened and make a big difference to society.

Master Del Pe and his team will spiritually culture the participants with state-of-the-art esoteric tools, guided by a curriculum that molds the personality and character of the participants to meet a fast-track requirement towards enlightenment. Thus, what they can't achieve in a lifetime of laborious religious work will be attained in just a few months of training and mentoring. The intensive program has four levels,

and January 2019 brings the Level 1 to jumpstart the beginners on the path.

Master Del Pe will also launch his 10th book, titled ‘Sexual Alchemy and Divine Intimacy’. To commemorate this occasion, the Enlightened Life Retreat will have a special bonus feature – The ‘Sexual Alchemy and Divine Intimacy’ Workshop that will be taught by Master Del Pe himself!

This retreat will coincide with the Aquarian Full Moon, one of the highest new energies of the year and one that bestows those who will receive the gift of the new cosmic Spiritual Will-Power. This is one of the most important energetic milestones of the year for advanced souls and Masters, even in the heavenly realm, because they too have an important conclave to empower the next strategy of world and planetary affairs called the Divine Plan. The new era’s esoteric template called the Aquarian matrix designs will be stamped on the Souls and personalities of servers to be promoted to a new level of world service. This esoteric event will happen during the Aquarian Full Moon. While in deep group meditations, the group initiation will happen to empower you on the path of self-mastery and enlightenment in collaboration with the Divine Plan and Planetary Purpose.

This retreat will also gather participants from around the world who will come to be certified in the first rung of the BEinshape Rescue Level Certification for Healing Specialists and Trainers to equip them as certified healers, life-coaches and trainers using Master Del Pe’s proven methods and energy strategies. The combination of earn-grow-serve is the template for modern servers to start this new career line while also awakening their spiritual development to the maximum.

It will also include special self-defense techniques for day-to-day safety and survival. The curriculum will help to reverse aging, boost the immune system, release body toxins and build stamina.

The modern spiritual path not only adheres to the loving kindness of a Saint but also to the persistence, endurance and self-discipline of a good soldier. This courageous attitude is one of the most important qualities that good-hearted people don't usually have, which stops them from creating breakthroughs in world service. Master Del Pe believes that the will-power, heart and mind need to be harmonized to

attain real self-mastery. Martial Arts-Yoga training provides that missing link.

❖ Life Mentoring Services

Master Del Pe and his team will perform group and individual healings and mentoring sessions that engage participants to resolve their life issues and blockages in their spiritual development. Charting their energy anatomy and Soul's age to identify their level of development is included in this package.

The mentors will help participants to clarify their higher purpose and their type of temperament amongst the 8 types of human design, in order to discover their greatest strengths, weaknesses, seeds of failure in life and their maximum potential. This part of the program is the key stroke for understanding who they are and who they are not.

❖ Entertainment and Recreation

Natural hot springs baths, nature strolls and a few outdoor sports are also a part of the Enlightened-Life Retreat. The magnificent view and ecosystem of the retreat location can be called the Philippine Himalayas – a featured combination of Tibet, Nepal and the Indian mountainous region. Thus, there is more to the splendid 360-degree view of the retreat venue than the eyes and mind can absorb.

Physical, energetic, emotional, mental and spiritual pampering to incubate the unfolding divinity in everyone is a necessary ingredient to bring the spiritual spice while pursuing an enlightened life. A disciple of the new modern path requires culturing the ego for it to become a powerful and effective

Soul instrument to serve life. The problem is that most other spiritual teachings want to kick the ego rather than nurture it. This program develops the partnership of the ego and Soul.

❖ Follow-up Sessions

Post-retreat group mentoring sessions for 3 months (2 hour sessions, twice a month) will be included in the program. These sessions delivered over 12 hours will make sure that the participants are confident in their next-step strategy.

As a special bonus to participants for their continuing education, a series of special lectures of over 5 hours will be shared with them for online viewing in the comfort of their homes, which will include Q and A with Master Del Pe and advanced meditations suited for their level (Tele-Darshan or Esoteric Time with MDP).

Praises for Master Del Pe's Enlightened-Life Program...

"I have gone around the world looking for a spiritual teacher in Tibet, India, China and the Andes mountains, but I did not find what I was looking for. You may say I am a seeker who has 'been there, and done that'. When I attended Master Del Pe's retreat, I knew I had arrived!"

- M.J., Life Coach, (Houston, Texas)

"My spiritual search had been difficult because I had to go through health challenges, income and financial crises to wake up. Through Master Del Pe's retreats and spiritual mentoring, I was able to bring back my fragmented self into one whole piece, much brighter and more enlightened than before. In the modern times, you need a guru who is not just wise but also an advanced healer because the karma of awakening brings not only bliss but also karmic-acceleration, resulting in suffering and big tests. You need a mentor like Master Del Pe who is an example of a balanced-life, both materially and spiritually."

- H.L., Serial Entrepreneur (New Delhi, India)

"I thought I was already a very advanced Soul and well-equipped to become a spiritual teacher. In fact students in yoga think that I am their guru. When I attended Master Del Pe's retreats I felt that I have become a student again. He is more than a guru. He is a modern enlightened Master who can do alchemy, magic, and healing miracle. But he is still grounded in the day-to-day affairs. He is one of those who I've seen to have one foot on Earth and one foot in Heaven."

- R.A., Spiritual and Yoga Teacher
(Rio de Janeiro, Brazil)

About Master Del Pe

Master Del Pe

Master Del Pe designed the Enlightened-Life Retreat to be a faster, straightforward approach to spiritual awakening by bringing a highly packed curriculum. He believes that inspiration alone does not bring direct results in the long run, because people on the path need real techniques, spiritual tools and systematic strategies to move forward in a more calibrated and serious process until enlightenment happens.

Master Del Pe, personally trained by 4 advanced Masters, had gone through the whole process of enlightenment from a student, apprentice, and disciple until he became a Master himself. Thus, he knows the loopholes of the spiritual path. He created the Enlightened-Life Program to take into account all the requirements to successfully finish what you start on the path of higher evolution.

He synthesized his teachings from his expertise as a Modern Sage, World Philosopher, Esoteric Psychologist and Scientist, a Divine Alchemist, Spiritual Technologist and a Third Eye Initiation guru. He also brings to his retreats his mastery of martial arts-yoga, healing science, his engineer's mind and his entrepreneurial spirit as the founder of 2-USA based institutions: *BELife Institute for Higher Consciousness (BIHC)* and *American Institute for Leadership Advancement (AILA)*.

Author of 10 books, he has travelled to over 100 countries teaching and at the same time studying world philosophies, world religions and world cultures. Master Del Pe's mission includes helping people to *master life ahead of its time* and to train Saints and Masters as a bridge for the future world.
