GAMES DESCRIPTIONS *Call or email if you have any questions about these games!*

Weakest Link – is a dog's choice point accumulation game requiring a handler to "bank" points to keep them; or lose points not banked. Points earned must be worth as much as or more than the last points earned, and are safe only when banked. Scored Points, Then Time.

SuperDog! – is a strategic dog's-choice point accumulation game. In concept it is based on the old PACMAN computer game that if the smiley ate a "power pill", it could move faster and gobble up things in its path. Scored Points, Then Time.

Full House – is a dog's choice game, requiring accumulation of required points within the time allowed. Points are gathered as three-of-a-kind, a pair, and a joker as defined on the course map.

Colors – is made up of two relatively equal numbered sequences. The handler must select one sequence to be completed by the dog.

Additional information on the games can be found in: **The Clean Run Book of Agility Games, 3rd Edition by Bud Houston.**

CLASS INFORMATION

Standard Agility Class

Beginner All dogs shall be eligible for participation in this class.

Intermediate Only dogs that have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

Games Classes

Games I All dogs shall be eligible for participation in this class.

Games II Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.

Games III Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

FEO (FOR EXHIBITION ONLY) – Games & Standard Classes

TDAA offers FEO runs (at the option of the host club), open to any TDAA registered dog in any class. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. Maximum time of 1.5 of the SCT, cannot repeat any obstacles, and no training in the ring.

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

HEIGHT DIVISIONS - See www.k9tdaa.com for updates to Rules and height divisions!

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division (and scored in that higher height division) A judge must measure provisional dogs.

New rules effective January 1, 2015:

- **Handler/Owner selects jump height** – Each handler may select the jump height they wish their dog to jump. All jump height exemptions are now removed. Dogs will continue to be scored with dogs at their measured height.
- **Removal of four-paw safety rule** – a Beginner dog will no longer be required to move on after committing four paws to an obstacle and leaving. Beginner dogs will have three chances to perform a contact obstacle, and will not be faulted until a third on-and-off refusal.
- **Additional time for Veteran Dogs and Disabled Handlers will still apply.**
 - Veteran Dogs (7 yrs and older) receive an extension of standard course time
 - Measured height of 2" & 4" dogs receive an additional 4 seconds
 - Measured heights of 8", 12" & 16" dogs receive an additional 2 seconds
 - Disabled Handlers receive an extension of 4 seconds to standard course times and qualifying course times for games.

Please consult your jump height card/email to confirm the correct measured height to enter.

If you do not have a TDAA height card/email your dog must be measured at this trial.

Disabled Handlers – A time exemption will be granted as above. The proof of the disability shall be the handler's disability parking tag or other documentation. There will be no special system of titling for disabled handlers.
