## Spring Clean up & Cottage Visit's

As you know we have two designated weekends coming up that you may visit your cottage. One of those day's unknowingly fell under the same day as the Seaglass Reunion. I will be adding a third day, Saturday April 21st that can be used for spring cleanup, or for your second visit.

Keep in mind that if you're planning to go inside your cottage, you may do so only after filling out a waiver of liability form. Due to the town of wells code enforcement laws, you may not exceed 15 minutes for each visit.

There is no time limit restrictions for the spring cleanup on the outside of your cottage.

Hi Everyone!

Hope you all are having a great winter! Things are busy here in Miami and I'm looking forward to teaching again this upcoming season. I'm planning on starting in early June thru Labor Day with a format similar to last year. I'd love to hear from you with any ideas, suggestions etc.

Please feel free to email me at [info@ljwtraining.com](mailto:info@ljwtraining.com).

Also remember I'm available for personal or small group training as well! See you in June!
