## *Mystery in the Marsh Cake*

Sausthorpe Village Hall 1930hrs Wednesday 4<sup>th</sup> May 2016

To accompany the illustrated talk given by Dr Adam Daubney entitled “The Mystery in the Marsh: an Anglo Saxon Island Discovered” the Artisan Bakery of Firsby’s latest masterpiece was revealed last night.

As far as Health and Safety and choking hazards would allow it faithfully represented a cross sectional view of a dig, showing the layers of earth in situ, and removed plus the revealed archaeology. Even after all that it was enjoyed by everyone at tea break.
