

# SPIRIT OF SUTTERBY

*Sue Lee gives an illustrated talk on her work as a Conservator, Restorer and Creator.*

**Saturday 29<sup>th</sup> September 2018. 1430 hrs. St James Church, Spilsby. £5. refreshments supplied.**

We first met Sue Lee when she was working on the wall paintings in Sutterby Church some time back, and we have been trying to get her to give a talk to us for a long time. Today is the day.

She started her very interesting talk by showing some of her past work at St John the Baptist at Spalding on the Reredos. It had been heavily overpainted and she had been asked to investigate it and see what was required to return it to its past glory. Sue gave an insight into the methods and detailed work carried out. She showed further examples of her work eg. the Tomb of Thomas Sutton, Charterhouse.

**Sue Lee**

A themed wall painting cake was of course supplied by the Artisan Bakery of Firsby representing the wall art in Sutterby church.
